Pi Lambda Phi and SDEC's Student Unity Project

It is easy for us to forget that we are all connected as a community. Join the brothers of Pi Lambda Phi Fraternity as we unite to prove that we all have something in common! The project consists of 28 posts, each with identifiers such as, "I speak English as a second language; I identify as LGBTQ; I attend school using financial aid" etc. Participants tie colorful yarn to posts that reflect their identities. Their yarn intertwines with others' to create a web of interconnectedness. In the end, everyone will see that we are all connected and it's our diversity that creates a strong and vibrant community.

We will be in the Tribble Plaza starting at 8 AM on Thursday, December 1st, and continuing through the night until 8 PM on Friday, December 2nd. Donations to our philanthropy, the Elimination of Prejudice Foundation, are happily welcomed!

This event was proudly sponsored and funded by the Student Diversity & Equality Council (SDEC).
