Here you will get real work experience in a variety of different volunteer positions. You will also get a reference to place on your resumes. For more information, attend the Anime Officer meetings every Wednesday at 4:30 in MCM 114 or contact either anime@cnu.edu or kenneth.thomas.10@cnu.edu.

Find out this and more at Rock your LinkedIn on November 16, from 7:30-8:30pm in Forbes 1022. The event will include presentations from the CCP and a former recruiter. This event is a PLP Passport Destination and is hosted by Alpha Kappa Psi, the Professional Business Fraternity!

PLP Food for Thought

The Food for Thought campaign is officially underway! PLP has a team this year, and we hope that you all will choose to donate a can of food or a few coins to this great cause. Every \$1 donated feeds 4 people and every \$25 feeds a family for a month. Thus, if all 1,000 PLP students donate one dollar, that would equate to 40 families with food for a month!

We are also having a small competition between the 4 PLP classes to see which class can raise the most money! Furthermore, there are t-shirts in the CNU Engage office! If you choose to purchase one please ask that the funds be applied to the PLP team.

If you want to donate we will be tabling in the DSU atrium TODAY or feel free to stop by the PLP office anytime before November 16th.

Student Tickets for Virginia Symphony Orchestra Chamber Music Series: Classical Winds

Wednesday, November 16, 2016 at 8:00 PM

Peebles Theatre

Student Ticket Price: \$10 (Please present your CNU ID!)

Program:

Beethoven: Sextet, Op. 71

Mozart: Quintet for Piano and Winds in E-flat, K. 452

Join Virginia Symphony Orchestra musicians for a night celebrating two of the greatest composers of all time. As part of the Classical Era, Mozart and Beethoven both contributed to the tradition of "Harmoniemusik," chamber music written for five to eight wind instruments to entertain aristocrats. Characteristic of his early compositional style, Beethoven's Sextet has a light-hearted, easy-going tone and gives individual instrumentalists a chance to sparkle with brilliant, virtuosic passage work. Mozart's superbly crafted Piano Quintet was written during the happiest, most fruitful and prosperous time in his life. After composing it in 1784, he wrote to his father, "I myself consider it to be the best thing I have written in my life."
