Be sure to join in the fun today by doing these three things:

1. Show your spirit

Put on your silver and blue and show the world what it means to be a Captain.

2. Share our story

Spread the word and tell everyone what makes Christopher Newport special. Post your thoughts, pictures and best memories on social media using **#CNUDay15**. Reach out and get others fired up, too!

3. Make a gift

Every gift of **any** size makes a difference. Support whatever you care about most. Your investment will strengthen scholarships, enhance programs and power our rise in national rankings.

Go Captains!
