Colleagues,

I am writing to share some information about another tragedy that has struck our campus.

As you can see from the note below, we have sadly lost another student. We are actively supporting his friends and classmates, but I wanted to make you aware so that you could respond, if necessary, to additional needs.

We have faced some very real challenges this year, more than we care to address. I take some solace in knowing that I work at a fantastic institution with some truly wonderful colleagues who want only the best for our students and for each other.

I thank you for everything you do. You help make this place special. Should you need something, please let me know and I will do my best to support you.

Best,

Kevin

Subject: Some Sad News

To: students@cnu.edu

Hey Everyone,

I realize most of you have headed home for the summer break, but I wanted to pass on to you some very sad news that has touched our community.

Earlier this evening, I was informed that third year student Nick Smith passed

away. Nick was from Charlottesville and was involved in a number of activities at CNU. He was an active member of Kappa Delta Rho fraternity. He was also one of the student leaders in Catholic Campus Ministry, recently serving as a member of their leadership council. A resident of Wilson Hall, Nick was known by many students for his strong faith and his connection to his fraternity brothers.

I know the end of the semester has brought some real challenges for all of us. I ask that you take a moment to keep Nick, his family, his fraternity brothers and many friends in your thoughts and prayers. In these difficult times, it is the strength of our community that helps us pull through. Please continue to support each other as we work through another challenge for our CNU community.

When I hear of more information, I will share it with you. In the meantime, know that we are here to support you and that so many in our community are available to help you work through a difficult time.

My best, always,

Kevin
