NOTE About Campus Safety - Use the Crosswalks When Crossing Warrick Blvd

Please utilize the crosswalks that are designated at each traffic signal. Using the crosswalk greatly increases your personal safety when crossing the street. Whereas drivers of automobiles are typically aware and expecting people to be crossing the street at traffic signals in the designated crosswalks, drivers are less likely to anticipate and/or expect you to be crossing the street outside of the those areas...thus increasing the likeliness of you being hit by a car. **Be Safe - Use the Crosswalks!**
