

FAMILY WEEKEND

September 18-20, 2009

CHRISTOPHER
NEWPORT
UNIVERSITY

Christopher Newport University students take great pride in their University and look forward to sharing with you the energy, excitement, enthusiasm and Captain's spirit that will abound during CNU's 2009 Family Weekend, September 18-20.

This festive annual event provides CNU with the perfect opportunity to recognize and celebrate those dedicated family members — parents, grandparents, sisters and brothers — who contribute so much to each student's success.

Please make plans to join us for many of the special activities we have planned. You will have the opportunity to learn more about our study abroad initiatives and engage in conversation with our award-winning faculty members. Tour our beautiful campus and state-of-the-art facilities — enjoy a snack and a Starbucks coffee in Einstein's Café as you visit the stunning Tribble Library. And you won't want to miss Saturday's family-style tailgate party followed by exciting football action as we cheer the CNU Captains on to victory over Salisbury University. You can even conclude your evening with a memorable performance by the Fab Faux in the Ferguson Center for the Arts!

Family support is vital to the success of our students. We are pleased and honored to partner with you in this important endeavor and hope you will allow us to show our appreciation as we gather for this special event. Come and be our guests — we promise a warm, welcoming weekend as you make rich, lasting memories with your sons and daughters.

Beatles fans yearning for the most authentic reproduction of their music will appreciate the Fab Faux as the most definitive tribute band on the circuit. The Fab Faux present every facet of the genius and talent of the original lads from Liverpool: strong vocals, accurate reproduction of the band's diverse array of vocals, music and writing. If you want to know what it might have been like if the Beatles toured behind their later albums (with a healthy portion of the early guitar-based music), the Fab Faux have landed and are waiting backstage!
