Colleagues and Friends,

I am pleased to announce the second lecture of a very special speaker series titled "A Captain's Life," sponsored by the Alumni Society. This series invites alumni back to campus to share their life and career experiences with current students and the university community.

Please join the Alumni Society on Thursday, February 19, at 12:30 p.m. in Gaines Theatre to hear Dr. Jonathan Backens speak on his journey from CNU to the African bush and beyond. Jonathan has come full circle and is now back at CNU as an assistant professor developing and leading our new electrical engineering program.

On behalf of the Alumni Society, thank you for spreading the word, and I hope to see you there.

Very Sincerely,
Katie Monteith '11
Alumni Relations Officer
