## GENERAL INFORMATION

### HISTORICAL STATEMENT

The Christopher Newport College of the College of William and Mary was established and duly authorized by the General Assembly of Virginia in its 1960 session. The College receives its support from the General Assembly, from the community, and from the fees paid by the students enrolled.

The affairs of the College are directed by the Board of Visitors of the College of William and Mary. This Board is appointed by the Governor of the Commonwealth of Virginia. Direct supervision of the Christopher Newport College is charged to the office of the Coordinator. A Director, appointed by the Board of Visitors, is in charge of the actual administration and courses of instruction at the College.

The Christopher Newport College derives its name from that of Captain Christopher Newport, the illustrious English mariner and one of the most important men connected with the permanent settling of Virginia. It was he who was put in "chief command and control" of the small squadron of three vessels, the Discovery, the Godspeed, and the Susan Constant, which made the historic voyage culminating with the landing at Jamestown in 1607. It is appropriate and fitting that an institution of higher learning located in such an historic setting should derive its name from one who contributed so much to the early history and survival of the area.

Christopher Newport College in September, 1962, initiated a program of evening meetings of courses designed to serve the needs of residents of Tidewater communities and military personnel stationed in the area and to enable them to obtain residence credits which might be applied toward a degree at Christopher Newport College or at other accredited institutions.

### PURPOSE AND PROGRAMS

The purpose of the Christopher Newport College is to afford educational opportunities of an academic and terminal nature beyond the high school level to a geographical area of Virginia which has undergone in the past decade one of the largest population explosions in the United States. In addition, it is the purpose of the College to provide the first two years of college work for students desiring to enter a four-year college. This program leads to the degree of Associate in Arts.

The Transfer Programs preparing for the last two years in a four-year college include preparation for further training leading to degrees in the arts and sciences, in engineering, business, medicine, dentistry, and public health service.

Students who expect to transfer to some other college or university should study the catalogue of the institution of their choice, in order that they may more appropriately plan their programs of study at the Christopher Newport College. Most four-year colleges will accept for transfer a maximum of 60 semester hours of credit from a two-year college. A student who expects to transfer credits should become familiar with the policies of the institution at which he wishes to continue his studies.

The Summer Session of the Evening College is designed to serve the needs of students as follows:

1. **Those who wish to accelerate their program.** High School graduates who have been accepted for fall admission often desire to enter college in June instead of waiting until September, and thus save much valuable time and expense. A standard four-year college program may be completed in three regular sessions and three summer sessions. Part-time Evening College students may continue their studies during the summer.
2. **Those who wish to regularize their program.** If a student has been unable to progress toward his educational objective at a satisfactory rate at Christopher Newport College or another accredited institution, the Summer Session provides an excellent opportunity to make up deficiencies.
3. **Those who wish to become certified to teach in the public schools.** Students who wish to teach must complete certain academic subjects. The Summer Session provides an opportunity to attain this objective, or to earn credit needed for renewal of certificate.
4. **Those who wish to take advantage of summer employment opportunities.** The evening summer program allows students to seek gainful employment during the day and attend classes in the evening. Students should be careful not to allow excessive job demands interfere with their studies.

#### THE BUILDING

The Christopher Newport College is presently located at 222 - 32nd Street, Newport News, Virginia. The classes and laboratories are located on the four floors of this building which has approximately 40,000 square feet.

The development of a master site plan, including facilities to accommodate 2200 students by 1970, has been completed. The college has commenced construction of its first classroom building on its permanent site, a seventy-five acre tract in suburban Newport News.

#### THE LIBRARY

The Christopher Newport College Library seeks to provide an active collection of books, periodicals, maps, etc., to meet the curricular needs and the aesthetic and recreational interests of its students and faculty.

The Library, located in two large rooms on the 31st Street end of the building, contains an open shelf collection of approximately 10,000 volumes classified according to the Dewey Decimal system. These books are shelved in the main room along with periodical files. Adjacent to this is the reading room containing the reference collection, current periodicals and newspapers. This room has a seating capacity of fifty.

The resources of the Library of the College of William and Mary (about 450,000) are available through interlibrary loan or direct loan from the Williamsburg campus. Such loans will also be available from the library of Old Dominion College.

#### THE HONOR SYSTEM

The essence of the Honor System is individual responsibility. It assumes that the principles of honorable conduct are familiar and dear to all students; it assumes that every student is deeply concerned with the strict observance of these principles, for his own sake, for the sake of his fellow students, and for the sake of the College.

#### PERSONNEL OF THE HONOR CODE COMMITTEE

In the Evening College the functions of the Honor Council are assumed and carried out by a committee of four students and two faculty members. This committee is appointed by the Director of the College and is known as the Honor Code Committee.

#### PRACTICES

Upon matriculation, each student shall sign a statement to the effect that he understands what is expected of him under the honor system and that infraction of the Honor Code at any time during his student days is punishable by dishonorable

dismissal from College. Infractions include cheating, stealing, lying and failure to report an offense. A professor may require the signing of a formal pledge on any work, even though the initial pledge stands as long as the student is enrolled in the College.

The faculty will explain whether or not aid may be given or received on a particular assignment. Giving aid to any student or receiving aid without the consent of the professor in tests, quizzes, assignments, or examinations is cheating. All cheating, whether in tests, quizzes, assignments or examinations, is a violation of the Honor Code.

Physical comfort, as well as usual practice, suggests that students shall occupy alternate seats during an examination. In consideration for others, students should not disturb a class by leaving the examination room except when necessary, or by remaining absent except for a brief period.

Since the student assumes the responsibility for the administration of the Honor System, the College does not practice supervision of examinations by proctors.

#### REPORTING A BREACH OF HONOR

Any person believing that a breach of the Honor Code has been committed should challenge the student accused of the act and offer him the opportunity to resign from the College immediately or to report himself to the Honor Code Committee (if the accused does not report himself to the Honor Code Committee, the accuser must report the case).

In such cases where a direct challenge is not feasible, he may report the suspect directly to any member of the Honor Code Committee who will in turn promptly notify the accused of the accusation against him.

#### TRIAL OF THE ACCUSED

A student accused of a breach of the Honor Code shall be entitled to know the charges against him, the evidence given, and to be confronted by the witnesses.

The accused shall have a right to ask any member of the Honor Code Committee, who will not be a witness (except the Chairman) to be his counsellor.

At the trial the accused shall be at liberty to say what he chooses in his own defense.

#### Duties of the Honor Code Committee Officers

At the trial of the case, the presiding officer of the Honor Code Committee shall conduct the meeting. Minutes of the trial

shall be kept by the Secretary. These minutes shall be the property of the Committee, whose duty it shall be to see that they are stored in the College vaults.

#### Witnesses

A witness called to testify must appear before the Honor Code Committee and must give such testimony pertaining to the case as may be requested by the Committee. Lying before the Honor Code Committee is in itself a violation of the Honor Code.

#### Minutes

The minutes of any trial may be inspected in the presence of two or more members of the Honor Code Committee by persons satisfying the Committee of their legitimate interest in the case. In the event that the accused is declared innocent, the minutes of the trial shall be destroyed.

#### Failure to Stand Trial

Should the accused leave the College without appearing before the Honor Code Committee for trial, the accuser shall report the name of the accused and the breach of honor to the presiding officer of the Honor Code Committee. The Committee shall then record the facts of the case and advise the Director of the College that the student withdrew under suspicion of a breach of honor.

#### PENALTY FOR A BREACH OF HONOR

A violation of the Honor Code is punishable by dismissal from College. The essential basis of the Honor System is that all honor is indivisible and as such calls for the same treatment; but the penalty may be modified when in the opinion of the Committee conclusive reasons for doing so exist.

If, after trying a case, five of the six members of the Honor Code Committee are convinced of the guilt of the accused and so cast their votes in a secret ballot, the Committee shall immediately report its findings and recommendations to the Director of the College.

Penalties shall be imposed promptly, and, in the case of dismissal, the Director of the College shall have the parents informed, and shall have the facts recorded on all official records.

#### RETRIAL OF HONOR CASES

A case may be reopened upon the presentation of new evidence bearing directly on the question of guilt. Persons desiring to reopen a case shall appear before the Honor Code Committee to present such new evidence, and the Committee shall determine whether this new evidence is sufficiently conclusive to warrant a retrial. Should the case be reopened, it must be entirely retried.

## ENROLLMENT INFORMATION AND ACADEMIC POLICIES

### ACADEMIC CREDIT

Residence credits may be earned by transfer students and secondary school graduates. A student may not assume that credit will be given for work at other institutions until he has a written statement as to what credit will be accepted. Credits carrying a grade of "D" will not be accepted for transfer to Christopher Newport College.

Evening College undergraduate students will be classified as non-matriculated students prior to acceptance as degree candidates. Non-matriculated students who wish to earn a degree at Christopher Newport must make application for admission as degree candidates prior to the completion of 30 credits of undergraduate work. Forms for this purpose are available from the Registrar.

Course numbers indicate the level of instruction as follows: 100 series, Freshman; 200, Sophomore.

Registrants who have not attended college previously may not enroll for more than one course except with permission of the Coordinator of the Evening College.

### ADMISSIONS

Students in good standing at Christopher Newport College may be admitted to the Summer Session by pre-registering with the Coordinator of the Evening College.

Any student currently attending another accredited college may be admitted to the Summer Session upon presentation of a statement of good standing signed by the Dean or Registrar, or by submitting a transcript indicating that he is a student in good standing. Either of these documents must be accompanied by a statement from some college official recommending that the student be permitted to take prescribed courses. A form for this purpose may be found in the back of this bulletin.

A person who has previously attended an accredited college but who is not currently enrolled in any college must submit an official transcript from the last college attended certifying that he left in good standing.

A graduate of an accredited high school or preparatory school may be admitted upon presentation of a written statement or transcript from his principal certifying that he is competent to profit from the instruction offered in the Summer Session and recommending that he be admitted. Should the student fail to graduate with his class, he would not be eligible for the Summer Session.

High school students who have applied for admission to Christopher Newport College and have been accepted for the fall semester may be admitted to the Summer Session by pre-registering with the Coordinator of the Evening College.

**All admission requirements for the Summer Session must be completed before June 5.**

Admission to the Summer Session does not automatically admit a student to the regular session. Those wishing to be admitted to the Day College in September should initiate the regular admission procedure through the Registrar. Students wishing to be admitted to the regular session of the Evening College which begins in September should apply personally to the Coordinator of the Evening College.

**Audit Status:** Auditors are those students who desire to attend a class or classes but do not plan to receive credit. Grades are not kept for these students. All audit students must register formally, however, and must indicate audit status on the registration form. All fees must be paid before an auditor is granted permission to attend class and there is no refund if a student so classified withdraws. Students registering for audit purposes may not change to credit status after the class has started. Only upon recommendation of the instructor and the endorsement of the Coordinator of the Evening College may a course being taken for credit be changed to "Audit", in which case no refund will be made.

The Application For Admission form, in the back of this bulletin, should be completed by all students not enrolled at, or admitted to Christopher Newport College.

### REGISTRATION

Students may enroll for the nine-week session, the pre-session and/or the post-session. The pre-session includes the first half of all continuous courses. The post-session is composed of the second half of all continuous courses. A separate registration for the post-session is scheduled for July 15.

Initial registration will be on Friday, June 12, 6:00 - 9:00 p.m.

Registration for the post-session will be on Wednesday, July 15, 6:00 - 7:00 p.m.

Summer Session students may register for a maximum of 10 semester hours of credit for the entire Summer Session.

Students may drop or add courses and register late until the close of business in the Evening College office on Tuesday, June 16. The comparable date for the post-session is Friday, July 17.

Faculty members will be available to assist registrants in the selection of courses and in the planning of degree programs. A veterans' adviser will assist those students who are eligible for benefits.

### FEES

The tuition fee is \$12 per semester hour, payable in advance to the Business Manager. Students may not attend class until tuition payments have been completed, except that military students enrolling under a plan in which the Armed Services pay part of the costs need pay at registration only that portion of the tuition fee for which the individual is personally responsible.

An auditing fee of \$5.00 is charged for each semester hour of credit carried by the course. The minimum auditing fee charged is \$15.00.

A late registration fee of \$3 will be payable by each student who completes his registration after the first meeting of the class in which he seeks to enroll.

The cost of text books and other required materials varies with the courses and is in addition to the tuition fee.

Make checks payable to CHRISTOPHER NEWPORT COLLEGE.

### REFUNDS

The College considers all tuition fees fully earned upon registration except in the following cases:

1. Students who register for a course on June 12 and withdraw on or before Friday, June 19, will be refunded 75 per cent of the tuition fee.
2. Students who register for a course on July 15 and withdraw on or before Wednesday, July 22, will be refunded 75 per cent of the tuition fee.
3. When the College cancels a course because of insufficient enrollment, a full refund will be made.

Refunds will not be granted to a student who withdraws unofficially or who has been required to withdraw by the college, regardless of date of withdrawal.

For purposes of determining eligibility for refunds of tuition and fees, the decision will be based upon the date that notification is made to the Evening College Office rather than the last date of class attendance. Notification must be made in person or in writing.

### ABSENCE FROM CLASSES

Regular attendance is necessary for satisfactory academic achievement and orderly classroom procedure. Each instructor is responsible for attendance records and for all matters related to attendance. Absences should be discussed with the instructor at the following meeting of the class. Absences exceeding twenty per cent of class and/or laboratory time may warrant the withholding of academic credit for the course.

A faculty member may recommend that a student be dropped from a class at any time that the instructor considers irregular attendance sufficient cause for failure.

### WITHDRAWAL FROM COURSES

Students who desire to withdraw from a course or from the College should apply in writing to the Coordinator of the Evening College and state the reason for withdrawal. Withdrawal without such request will result in a notation, "Withdrew unofficially" on the permanent record of the student.

### LIBRARY HOURS

The College Library is open Monday through Friday from 8:00 a.m. to 5:00 p.m. and 6:00 p.m. to 10:00 p.m. Under the Honor System, Christopher Newport College students are privileged to go freely to the stack rooms to select books they need or to browse at leisure. The privilege of borrowing books is granted to all students.

### BOOKSTORE

Textbooks may be purchased at the College Bookstore located in the basement of the College building from 6:00 p.m. to 9:30 p.m. on Registration Night, Friday, June 12, and from 6:00 p.m. to 7:00 p.m. on Monday, June 15 and Tuesday, June 16.

Textbooks for the post-session may be purchased from 6:00 p.m. to 7:30 p.m. on Registration Night, Wednesday, July 15.

In addition to the hours scheduled above, books may be purchased from the Business Manager from 8:30 a.m. to 5:00 p.m., Monday through Friday.

Make checks payable to CNC BOOKSTORE.

## BRIDGE AND TUNNEL TICKETS

Evening students using bridge or tunnel facilities for which a toll is charged may purchase ticket books at reduced rates from the Business Manager. Evening students are eligible for this privilege only if they use toll facilities when commuting from home to the College on the day of a scheduled class.

## COURSES NOT LISTED

The College will make an effort to provide additional courses not listed in this bulletin if a sufficiently large number of students request such courses and if qualified instructors are available. Application should be made to the Coordinator of the Evening College for other courses.

## CANCELLATION OF COURSES

The College reserves the right to cancel courses for which there is insufficient enrollment.

The College does not authorize re-examinations.
