To: faculty <faculty@cnu.edu>, employees <employees@cnu.edu>

We would like to take a moment to celebrate you.....

We have reached an amazing milestone; **87%** of our colleagues have participated in and made a gift towards this year's Faculty/Staff Campaign. This far exceeds our goals and expectations. Your generosity made a difference - thank you!

We would like to share a few numbers with you:

886 of our colleagues gave back to the university

92% of the alumni that work on campus made a gift through this campaign in support of their alma mater

38 donors contributed \$1,000 or more

\$128,074 was raised in support of our academic departments, the Lighthouse Fund, scholarships, the annual fund, and much more

27 departments reached 100% participation:

Administration and Finance, Admission, Advancement, Alumni Relations and University Events, Athletics, Auxiliary Operations, Business Office, Center for Academic Success, Center for Career Planning, Communications and Public Relations, Counseling Services, Dining Services, Freeman Center, Graduate Studies, History, Housing, Institutional Research, Analysis, and Reports, Leadership and American Studies, LifeLong Learning Society, the Office of the Deans, President's Leadership Program, the President's Office, the Provost's Office, Scheduling, Events and Conferences, Sponsored Programs, Student Activities, Student Affairs, Study Abroad and International Programs

In this season of giving, we appreciate all that you do for Christopher Newport. And, a special thanks to our team captains and our amazing co-chairs, Dr. Kelly Cartwright and Mrs. Lorraine Hall for their exceptional leadership.

--
