## Kinja's "Re-creation Encounter" Interactive Theatrical Experience - 20 Free Tickets from CAB

Named 2013's Best Salesperson in the World, Kinja Dixon has found his true passion in life--speaking and life coaching--and wants to share it with you through his world-touring one-act performance this SUNDAY, MARCH 13 at 5:30 PM at the NEWPORT NEWS MARRIOTT AT CITY CENTER!

"What are 3 areas that we all deal with that determine our current and future direction in life? The answers will be the same regardless of current age, race, ethnicity, employment history, size, shape or sexual preference. Self-management, relationships and parenting. Based off of our background each area has had a different level of influence, but a mixture of the 3 areas determine what we believe to be true or false in every area of our life. During these days and times it seems like our financial status, health, emotional intelligence, thought process and overall view of life is being put to the test on a daily basis. In the GAME OF LIFE, what grade would you give yourself? And most importantly, is your overall LIFE GPA getting higher, lower or just staying the same? The Re-creation Encounter is an interactive, theatrical performance that takes a deep look into the core of the 3 key areas of life like never before and will help deliver some very important answers to these questions. . ."

In collaboration with CAB, Kinja is offering 20 FREE tickets to the first 20 CNU students who "purchase" their tickets (valued at \$35 per ticket). To redeem the free ticket simply go to [re-creationencounter.eventbrite.com](https://re-creationencounter.eventbrite.com) and type in "CNU" in promotional code and that will discount the ticket. This is one of the few colleges that are in the area that have gotten this benefit and the college does so much for the community so this is a way for Kinja to give a little something back.
