

Faculty Survey - January 2009

1. Welcome!

Thank you for participating in this survey, which was developed by CNU's Faculty Senate. The purpose of the survey is to take the pulse of the CNU faculty so that we can be confident that we're truly representing you on these issues.

You may rest assured that individual responses will be confidential and that we will only report aggregate data.

The survey should take no longer than 10 minutes to complete.

Thank you, and have a great semester!
