"KITES for a CAUSE" an event to celebrate CNU's commitment to community engagement and the many related academic and volunteer programs that promote civic engagement and social entrepreneurship! Make this a memorable event – Design a Kite! Make a Kite! Fly a Kite!

The logo or emblem of the cause, community partner or organization are just a few of the envisioned kite designs we hope you will help create. At the event we will release the spring, summer and fall 2015 applications for the Ferguson Fellowships in Social Entrepreneurship.

We encourage you to attend and become involved in civic and community engagement.
