CAB & Panhellenic Council Present...Amber Krzys: 7:30pm

Part of Panhellenic and CAB's Confidence Week! You can take a class to learn French. You can take a class to learn chemistry. You can take a class to learn yoga. But, you can't take a class to learn the language of your body. Your body is communicating with you twenty-four hours a day, seven days a week. But, are you paying attention? What does that headache mean? Or that anxiety and overwhelming feeling you seem to always have? Why do you have to get sick to slow down and rest? In this keynote, Amber will teach you how to listen to what your body is saying. She believes your body is your best friend and can be your greatest ally in life. You will learn a specific skill set to foster this relationship so that you can stop constantly fighting, denying, and ignoring your body and start celebrating it as the gift it is meant to be.
