Pie a Professor-Fundraising for The National Brain Tumor Society

Another semester and we come together to fundraise for the National Brain Tumor Society in in the spirit of our 2014 event, Gaines for Brains. This is in the memory of Dr. Weiss and CJ Woollum, former faculty and staff here at CNU. Cancer permeates all of our lives as we all have known either a family member, or a member of our community that has battled this disease. We realize that not all those affected with this pathology are able to survive and that is why we have decided as a community to stand up and help fund valuable research through the National Brain Tumor Society's peer-reviewed grant program. Our fundraising event this semester is Pie a Professor. This event will be held Tuesday, October 18th from 11:00-2:00pm outside of the DSU. A student will have the opportunity to put a plate of shaving cream on the face of their preferred professor for a fee. A "pie" will cost \$2 and a student can get 3 pies for \$5. We anticipate a great turnout and we invite you to participate on that Tuesday afternoon for an uplifting, heart-warming fundraiser

Nu Kappa Epsilon Open Mic Night

Join the sisters of Nu Kappa Epsilon for their Fall Open Mic Night on November 1st from 7-9 p.m. in the Crows Nest. Come out, relax, and listen or share your musical talents! PIER Perspectives: Mental Health on College Campuses

Pier Perspectives: Mental Health

When: Wednesday, October 19th @ 6:00pm

Where: Harrison Room (DSU 2nd Floor)

The mental health of students across college campuses has become unfortunately less and less of a focus. While the resources for these students are available, they are rarely talked about and rarely used. This discussion is to talk about not only the issues of college students' mental health, but what could be done to help the issue.
