LEADERSHIP  
Scholars Program

"In today's world, we need leaders who will stand head and shoulders above the crowd. The Christopher Newport University-Canon Leadership Scholars Program will give the best and brightest students the opportunity to shine and be those leaders who guide the U.S. into the future."

- Joe Adachi, President and CEO, Canon U.S.A., Inc.

"Giving back to one's local community is a top priority for Canon. Through the Christopher Newport University-Canon Leadership Scholars Program, we are giving the local community a true training ground for future leaders to emerge and have a positive impact on the world and their communities."

- Takayoshi Hanagata, Chairman, Canon Virginia, Inc.

"Canon is a great corporate citizen known and respected around the world, and we are honored to receive their strong and generous support. Working together, our purpose is to empower these students to become caring, knowledgeable and effective leaders in America and the world."

- Paul Tribble, President, Christopher Newport University
