

## **2015-2016 Campus Activities Board General Board Application**

The Campus Activities Board (CAB) is the premier student entertainment organization at Christopher Newport University. We invite qualified candidates to consider applying for membership in Fall 2015.

### **What does it mean to be a member of Campus Activities Board?**

The members of CAB work hard and play hard. Through its 5 committees, Cabbies work throughout the year to plan events that appeal to our unique campus. CAB members are responsible for all components of the event planning process, including event research, budgeting, advertising, planning, and day-of event management. Each committee consists of 8-12 members, and is led by a committee chairperson who serves on the CAB Executive Board.

#### **Culture and Lecture**

The Culture & Lecture committee hosts speakers and cultural events. These events can include educational and social speakers and lectures, spoken word poets, documentaries, and themed culture nights.

#### **Headliners**

The Headliners committee hosts bands, musicians and comedians, as well as the "Homegrown" concert series, which provides performance opportunities for CNU students.

#### **Leisure Studies**

The Leisure Studies committee hosts a range of educational, fun, and how-to events. These include craft nights, workshops and trips to recreational facilities like roller skating rinks.

#### **Special Events**

The Special Events committee hosts a variety of social events. Some events that this committee has hosted in the past include dance parties, game shows, bingo, adventure activities, and CNU's annual Fallfest and Springfest.

#### **Marketing**

The Marketing committee assists the programming committees with advertisements throughout each semester. The mission of the Marketing committee is to promote CAB as a whole and support the advertising efforts of CAB.
