Dear Carter:

I am delivering, under separate cover, a copy of our Capital Outlay requests for the 1974-76 Biennium with all supportive documents. I hope that this will serve as adequate documentation for the resolution which is to come before the Board.

I am also delivering a separate resolution on the Goose Island property in the format required by H. E. W. The white copies should be appropriately endorsed.

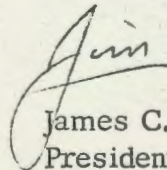

For your information, in the event the question arises, our Comprehensive Fee of \$3.00 per semester hour of credit for 1973-74 will be distributed as follows:

Construction fee	\$1.25
Parking fee	.35
Activities fee	1.40
	<hr/>
	\$3.00

Your assistance in these matters is appreciated.

With cordial best wishes, I am

Sincerely yours,

James C. Windsor
