

Student Government Minutes

October 28, 2002

I. Meeting was called to order at 4:05 pm.

II. Attendance was taken.

III. Minutes were read and accepted by unanimous consent.

IV. Officer Reports

A. President Williams

1. Political Involvement Committee - rally on the Great Lawn on Monday; handing out fliers; will be music and food; want to help with this please let us know; also Margaret Yancey asked that people sign up to pass info out at the polls; polls are open from 6am to 6pm, anytime you're available on Tuesday, Nov 5 sign up and we'll try to set up transportation; ask people to wear robes to show support for higher education

2. Governor Warner picture- not enough students to spell out "students first?", but took a picture of all who were there; Political Involvement Committee is preparing the letter to send the Governor

3. Senate Behavior- Senators leave during proposals, Writing Center was given money and it was very important but we almost didn't have quorum, e-board is streamlining info so you get the essential stuff; when you leave please try not to cause a giant commotion

4. Student Center Survey Results - order of possible services: recreational games, 24 hour copier center; post office, hair salon, tanning and nails, lockers; lockers pretty much not going to happen; there were really good suggestions: Taco Bell, ice cream parlor, more offices for clubs, banking services; for more clubs and org offices - met with the architects on Thursday and they toured Student Center and assessed needs for upcoming years, make sure you all have office space

5. E-board meetings - now meeting Wed 5-7, so if you want to be on agenda, need to have it in writing to the e-board Tuesday by noon, need something from you for presenting

B. VPSS Davis

1. Blurt -out results: bike racks have been ordered, Bookstore for sorority items - sales have dropped, have to order in bulk quantity, have to order across the board for all fraternities and sororities, see something you want order from catalog; if you were improperly ticketed for parking at the bowling alley or bank come see me (VPSS Davis); dumpster will be returned between 300 and 400 Barclay, please don't dump trash there until it returns; gravel lot by Chanellos will be filled in, please be patient, rain causes the potholes; phones and CNU apts - looked at phones to be put in the bottom of apts, will look at it again and see if it's costly and will take suggestions until then, use your cell phone and use your key or call before you arrive; policing - happy to add more, let me know where and what times so we can accommodate accordingly; LOTS building going to be removed and locked down, until then we may have to block off area, there will be a zoned off safe area to walk; York River now has a crosswalk, has been put out and done

2. Campus Walks- putting a door on mulch bin won't happen; sign to block housing office, when you leave since there's no entrance or exit specified, please take time and don't rush out; Judicial Affairs - sign has been ordered, takes awhile to get this in; sidewalks - you'll see muddy areas, some carts that people drive are too wide and cause muddiness along sides of sidewalks, trying to improve this

C. VPUR Boyd

1. Homecoming Rep - Monet Atkins is SGA's homecoming rep, want to make fliers or posters for her, she'd love it

2. Homecoming rep from other orgs: Psychology Club - Andrea Dunn, Gamma Phi Beta - Brittany Lambert, Silver Storm Dance Team - Christa Crawford, Campus Girl Scouts - Diane Cabiroy, Circle K - April Feciura, Class of 2004 - Leslie Hutchins, Young Democrats - Rachel Gillerlain, International Relations Organization - Thomas Welch IV, Captain's Log - Tom Stormer, MSA - Brad Hunter, Phi Alpha Delta - Stuart Bryson, Phi Mu - Leigh Trayers, SGA - Monet Atkins, Delta Sigma Theta Sorority Inc. - Norissa Barnes, CAB - Allen Brooks, Class of 2003 - Cristin Touts, Class of 2005 - Christina Eggenberger, GSSU - Autumn Parker, Alpha Phi - Kelli Felts, ACM - Makayla Nguyen, Alpha Phi Omega - Alexander R. V. Old Business

A. None

VI. New Business

1. Blurt Outs

-Senator Hutchins (Class of 2004) - took down fliers and postings for Open house this weekend and didn't put them back up, can Admissions please put back up or let us know

-Senator Griffith (Gamma Phi Beta)- talk about a back entrance to Barclay; during rush hour hard to get out and go across the street or try to U-turn at Subway

-Senator Whitney (IRO)- we're all colleagues and adults, when individuals have problems with people in Senate, please go to individual first before e-board or adults

-Senator Sierra (Nursing Student Association)- complaints from students about Ferguson and the construction noise; loud music in morning at Ferguson and its interfering; sewage at Ferguson - no running water and toilets don't flush

-Senator Orchison (Pi Lambda Phi)- today some of my brothers and I met with Kevin Hughes; discussed with Kevin for an hour and a half; conclusion that we came to is that we did nothing wrong; if we offended someone we're sorry, if you were upset you should have talked to us; if you have a problem with someone please go see the individual; going above someone's head is not the best option; face to face interaction is what it's all about; wasn't necessary for us to waste time with meeting

-Senator Brooks (WCNU)- address music in Ferguson, WCNU has this tech guy; PA system is hooked up through every hall, none of us knew that; Chris Rice offended me and I'm going to take him out in a cock-fight at FallFest

-Senator Thomas (Xposure) - back parking lot in gravel behind library, lots of potholes

-Senator Deeley- my girlfriend had an idea that bookstore or library could stock things like computer disks, scantrons, etc.

-Senator Atkins (MSA)- SGA needs to look into having a second copier machine; organizations can't do anything because machines are broken

-Senator Copeland (Grey Matter)- sounds like there's no paper available, we could have it available or for sale

-Senator Farmer - CNU apts, people are getting into apts not using their keys, people have found a way to get into apts; didn't want to bring it into RHA, it's bigger; it involves tripping a sensor or something

-Senator Weber - last Friday, all over campus, old guys handing out Bibles, if they were selling peanuts I'd feel the same way, these guys are running me down, what's the criteria to come on campus, maybe some kind of criteria could be established so I won't have to change where I'm going to walk

2. Blurt Ups

-Senator Dillon - thanks to whomever took down fence between Barclay 300-400

-Senator Hunt - thanks to the people in Circle K and trick-or-treater helpers

-Senator Comstock - Rowing Club took one first place this weekend in the Regatta, and took two second place finishes

-Senator Hutchins (Class of 2004)- thanks to the Classes of 2003, 2004, and 2005 and everyone who came out for the ice skating

-Senator Fellers (Fellowship of Christian Athletes)- appreciated last weeks Captain's Log and the maturity with the budget cuts; thanks also to the people in the 'Students First?' photo

-Senator Jaeschke (Gay Straight Student Union)- York River costume party was great

-Senator Warner (Residence Hall Association) - residence halls did a great job with Halloween trick-or-treating
-Senator Orchison (Pi Lambda Phi) - Rajput, Sat night; Kevin Hughes is great
-Senator Welch - good job to everyone that talked in freshmen debacle
-Senator Schargoiotoshi - thanks to the people that went to Busch Gardens, it was awesome
-President Williams - thanks to the people that came out to help Monet with posters, please come by office if you want to help with more advertising
-Senator Stewart (Alpha Kappa Alpha Sorority, Inc.)- thanks for the coats; anything that will keep someone warm is welcome
-Senator Hudson - people called me Robin Hood instead of Peter Pan at party on Sat
