Knowledge, truth, eternal wisdom,

Because the list of names must be furnished to the printer to meet deadlines, it is possible one or more of the candidates listed herein may have been unable to complete all degree requirements. Inability to remove a name at the last moment does not commit the University to grant a diploma to a person thus listed in error. It is possible one or more names of candidates are omitted from this list due to a late addition. The University has made every effort to accommodate all candidates.

"There are just a lot of things in my life right now that are undecided. And that used to scare me, but I kind of like the idea that it's just all kind of wide open." — Rory Gilmore

Nichollette Amburgey

To the woman who gave me life and more support and love than I ever thought was possible, I can't thank you enough. To my family, each one of you has helped me on this journey in some way, whether you know it or not. To Chip, I love you. Finally, to my Registrar family I wouldn't have made it without you all. Thank you!

Carter Andrews

My family is nice, my friends are cool, God is good, and I ain't no hollaback girl. Love you, Ivan Rodden.

Nicole Andrews

To God: Thank you for giving me the strength, motivation and ability to attend college. Without You none of this would even be possible. To my parents and sister: Without your love, encouragement and support I would not be here. I thank you for this opportunity from the bottom of my heart, and I love you. To my fiancé and friends: Thank you for believing in me and encouraging me.

Jennifer Asselin

I would like to thank all my friends, family and professors who have helped me grow and become the person I am today. I would not be here without all of your love and support. I'd like to specifically thank Mom, Dad, Aunt Martha, Dr. Underwood, Dr. Silverman, Dr. Jelinek, Dr. Hutchinson and Dr. Kidd. Thank you!

Jade Austin

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." — Jeremiah 29:11. Thank you to my family and friends for always believing in me, encouraging me and financing me throughout this experience. I couldn't have done it without you! I love each and every one of you! WE DID IT!

Michelle Bailey

My time at CNU has helped me grow as a person both professionally and personally. I couldn't have done it without the love and support of my family, my friends and my brothers in Alpha Phi Omega. I know as I move forward in life I will remember my time here fondly and will be proud to call myself a "Captain for Life!"

Taylor Ballenger

The last four years have flown by so fast. Thank you so much to my parents, who have supported me through everything I've ever wanted to do, and some things I haven't. I love you both so much and appreciate everything you've done to get me where I am today. I know I wouldn't have been able to do it myself. All the thanks in the world.

Amy Barnes

I would like to thank my friends and family for all they have done for me throughout my college career. Attending CNU has changed my life, from all the wonderful experiences in the classroom to the amazing people I have met along the way. I would like to especially thank my parents for everything they have done for me and for helping me get to where I am today.

Danielle Barnett

Thanks to my parents for being so supportive over the past four years and to the wonderful friends who have made my time here so memorable. "We all take different paths in life, but no matter where we go, we take a little bit of each other everywhere." — Tim McGraw

Olivia Barry

No words could properly thank the wonderful people who made these four years truly unforgettable. To my parents, family, friends and sisters, love you all!

David Batdorf

As a 51-year-old member of this graduating class, I would like to thank my friends and family for their support. Additionally, I would like to thank the Luter Business School faculty for their commitment and dedication to higher education. My CNU education will return dividends for many years to come.

Andrew Bell

The few, but precious, years I have spent at Christopher Newport University have allowed me the opportunity to discover more about the world around me, but more importantly, myself. I can wholeheartedly say this day would not be possible without the help of, and continuous support from, my mother, Luan Bell. She is my biggest fan, and today I walk for her. I love you, Momma.

Arrenvy Bilinski

I didn't think CNU and the people I met here were going to affect my life so much. But they did, and now I, and some of those people, have an anchor tattoo because of it. :)

Ashley Blatt

I have always been a Captain. I thank my family for being patient as I figured out what that meant and for their continued support. I thank my friends for not being afraid to get weird! Finally, I thank those who believed in me when I did not, KB for supporting me academically and Ali for her constant support. I am proud to be a CNU alum!

Christiana Booher

I would like to thank my parents, Bob and Susan Booher, for their continued financial and emotional support. I could not have accomplished this without them. Furthermore, Liz Wiese is the best roommate anyone could ask for, and I am so thankful for her. I have

thoroughly enjoyed being a part of the CNU and Newport News community and am thankful for my experience at CNU.

Lauren Boone

The past four years have been the hardest mentally, emotionally and physically. I probably spent more time in the hospital here than I have my whole life, but I got through it. Thanks to my family; my best friends (Julie and Kea) who encouraged me, helped and pushed me; my comm professors who were encouraging and supportive; my roommate and longtime friend, Alyssa; and the few friends here.

Janet Claire Brantley

Travis Bruns

Thanks, Mom and Dad!

Taryn Buckley

Mom and Dad, this day seemed so far away as I lay in my coma in 2003, but look how far I've come from unable to walk or speak to proudly walking across the stage to collect my hard-earned degree. I couldn't have done it without you. Thank you for all of your love and support!

Karen Bumiller

I would be nowhere near where I am today without the love and support of my family, especially my mom and dad. They've made every opportunity I've been given in life possible and are always there for me. I am truly blessed to have such incredible parents.

Spenser Burcak

Thank you, Mom and Dad, for always being there for me and pushing me to be the best person I can be. I would not have been able to do this without you guys. William Burke

Thank you to my family for all their support and encouragement over the years. I could not have done this without you.

Sean Burns

Coming back to school for senior year after deploying was hard to do. This was definitely the hardest semester I have ever had. Thanks to the never-ending support of my family and friends, I can finally say I've succeeded in my comeback. I don't know where I'm gonna be after this or where the world is going to take me, but I'm a "CNU Captain for Life!"

Michelle Caldas

My time at CNU has been a memorable four years thanks to the great opportunities that have come my way, the friends I will have for a lifetime, the wonderful staff and administration, and most importantly, my supportive family. Thank you to the top-quality staff and professors who have shared their knowledge and enthusiasm for learning while guiding me on my CNU journey. Now we go on to the next chapter.

Alexandra Clark

We're asked to reflect on our experience here at CNU in under 70 words, but I don't think I can even find the words to describe the memories I have made and the wonderfully exceptional people I have created them with. Thank you to everyone who made these past four years the best years. Good luck, guys!

William Clatterbuck

I'd like to thank (in no particular order) my family, friends, girlfriend, $\Xi\Omega\Xi$ brothers, Dean Colvin, the Class of 2013, mentors, colleagues, professors, bosses, co-workers and compadres for helping me become the man I am today. I hope to make you all very proud!

Misha Coble

Thank you, Mom and Dad, for helping me get here. These past four years have been a roller coaster; it was hectic at times but still ended too quickly. Even on the toughest days I've counted my blessings that I've been able to attend such a beautiful college and receive a top-notch education. I'm ready for the next chapter, and I love you so much for all your support!

Rick Cockrill

Like half a billion dollars in four years here, I am spent! I feel like time has flown by, but then again I have so many memories. Now I am glad to be graduating and move on to my next chapter, made possible by the work of a strong base of friends and family both here and at home. Thank you all for your support. Oh yeah, and ... Go Captains!

Erin Comerford

The number of people who have made an impact on my educational career here at CNU and in my life during these past four years is innumerable. Most importantly I have to express my gratitude to my parents for making it possible for me to attend this incredible university. Words can't express my appreciation for the experience I've had here! I wouldn't change it for the world! Captain for Life!

Ashley Cook

When I look back on my time at CNU, it amazes me how different I am than when I first arrived as a nervous, excited freshman. This has been a time of personal growth, commitment and challenging learning. Moreover, the friendly faculty and students on this campus have made this a very enriching experience. At CNU we are more than just a community; we are a family!

Daniel Cooney

CNU provided four of the greatest, most memorable years of my life. I want to thank all of my family and friends for all their support and guidance over the last four years. Also, thank you to all of my brothers of Psi Upsilon who have and will always be there for me. Forever, Yours in the bonds!

Vanessa Correll

To my family: As I walk across the stage today, I will remember not only my four years at CNU but also your continual love and support. Thank you!

Amy Craven

The past four years have brought with them some of the best and hardest memories of my life, but without my family, friends and God, I wouldn't be standing where I am today. Mom and Dad, thanks for supporting me in everything I do. Ryan, thanks for being the best big brother I could ever want. Nana and Grammy, thanks for being here. Sail fast, Go Captains!

Jessie Croke

Without friends and family providing me with love and support, I never would have made it. Jonathan, James, Kelsey, Jeff and Matt, you've all done more for me than you'll ever know, and I'll love you forever. Sister, thanks for the venting sessions, and for just being my sister. Mom, you've sacrificed so much for me; I don't know what I'd do without you. I love you all so much!

Kathryn Crouch

Thank you to my parents for the gift that has been my time here at CNU. Thank you to the friends who have become like family. Jessica Crumpler

I would like to thank my mom, dad and sister for everything they did to support and encourage me throughout my CNU career. I have enjoyed CNU immensely, and I am going to miss my time here. Tiffany Daniels

I want to first thank my parents, Tim and Kitty, for supporting me and giving me the opportunity to attend this wonderful school. I am also very thankful that I was able to attend CNU with my twin, Timothy Daniels. I am sad to leave, but I know the friendships and bonds I have built at CNU will last for a lifetime.

Debbie Dean

I'm amazed at how God has used CNU and the people here to teach me about myself and Himself, and what He can do in me and what I can do through Him. I'm so grateful to my parents for providing the means for me to come here, and I'm excited to take everything I've learned here into the next chapter of my life.

And also thanks to everyone who has made my college experience memorable. I don't regret a thing. I love you guys!

Caitlin Donahue

I am now the woman I have always aspired to be because of three things: My family, Zeta Tau Alpha and CNU. Words can never express my gratitude to the people who have given me everything and more. To my loving family, my amazing sisters and my unbelievable university, thank you for always keeping me humble, noble and honorable. Because I knew you, I have been changed for good.

Victoria Doran

CNU was my first and only choice for college, and although CNU has changed so much since I entered as a freshman, so have I. I would not change my decision for anything in this world. Thank you to my friends, family and professors who made these last four years phenomenal.

I'm so thankful to have been able to come to such a special school and I can't wait for what's next! Class of 2013, the best is yet to come! Proverbs 3:5-6.

Lauren Farmer

Mom and Dad, your strength inspires me every day! Your selfless acts of kindness, optimism and unconditional love have taught me what life is all about: family and happiness! My graduation would not be possible without the love, encouragement and support of my sister and brother-in-law, Lindsey and Joey; my nephew, JJ; my inspirational grandmothers, Mom-Mom and Mamaw; my guardian angels, Pop-Pop and Papaw; and my aunts, uncles, cousins and friends!

Perhaps the most important ... the promise we make to our sisters, remember me." AOE

Ashley Finestone

An enormous thanks to my professors over the past year who helped me get to where I am today. Coming back to CNU was a difficult adjustment, and I could not have done without their help. Thank you to my family and friends who believed in me, and thanks to the ones who said I couldn't do it, because they are the reason I pushed myself harder. I did it.

Brittany Fritz

Thank you to all my friends and family for making my four years at CNU wonderful. A special thanks to my mom for being awesome and always being there for me no matter what! This is not the end, but only the beginning.

Kevin Garcia

There is another sky, ever serene and fair. And there is another sunrise, though it be darkness there. Never mind faded flowers and silent fields, for here is a little forest whose leaf is evergreen, and here is a brighter garden where not frost has been. In its unfading flowers, I hear the bright bee hum. Prithee, my brother, into my garden, come. [Let nothing dis sever this friendship forever.]

Elizabeth Geary

I would like to thank my family for always being there for me. I'd also like to thank my friends as well as Kappa Kappa Psi for supporting me throughout my time here at CNU.

William Geiger

To my family, to my professors, to my best good friends — thank you for doing all you have done to shape me into what I am. Nerves and anxiety about the unknown have, thanks to you all, given way to anticipation and excitement. To the champion CNURFC, why are we waiting? And to my brothers, the HBHC.

Kevin Gimlett, Jr.

I can't thank my family and friends enough for the support they've shown me all throughout my college career. I will always remember the great times I've had here at CNU and look forward with great anticipation to life after graduation. Thank you Mom, Dad, Kelly and Bridget!

The friends I have made and the memories that were had, will forever be in my heart and I'm eternally glad. God placed me here for a purpose I have to say, and I love Jesus more than I did on the first day. I'm blessed by an amazing family and wonderful friends. Thank you so much, Lord, for how faithful you have been.

Stephanie Green

CNU has been my home away from home and my united family. Here I have truly been able to find myself. For that I have many to thank. Thank you to my teammates, coaches, roommates, boyfriend, teachers and faculty for always believing in and challenging me. Above all, I want to thank my parents for your unending love, guidance and support. I couldn't have done it without you! <3

Frederick Griffin

I had some of the best times of my life here — can't wait to see the rest of it.

Jess Grillo

My time at CNU could be described in many ways. To make it simple, though, I will say that every memory I made and experience I had would not have been the same without one person: Lindsay Hunsucker — my best friend, my roommate, my rock. Thank you for helping me survive all four years of this crazy ride. And thanks, Mom and Dad, you da bombdotcom! Love ya.

Meghan Gumbs

It has not been an easy four years, but my friends and family have been behind me every step of the way. I've made many memories here at CNU. I would like to thank my parents and my siblings for always being there for me no matter what happens. I would like to thank them for making me the person I am today. I love you all!

Rachel Gumkowski

I want to thank my fellow social work majors for the support provided to one another throughout our undergrad careers. I would also like to thank Kevin for helping me through every difficulty I've encountered this year. Without you this year would have seemed impossible. Lastly, I would like to thank my family. There are not enough words to describe how much I love you all. Thank you so much!

Donald Hair

When I came to CNU, I was a much different person. Now upon graduation, I have a foundation for the future. I couldn't have done it without the constant support of my family. They were always there for me through the good decisions and the not so great. This diploma signifies more than an education ... it signifies my gratefulness to the people who have stood by me along the way.

Morgan Hamlin

The past four years have shaped and changed my life forever. I am so grateful for all the friends and memories I have made here at CNU. CNU has been an absolutely wonderful experience for the past four

years! I cannot imagine a better place to be an undergraduate. I have made friendships I will never forget. Thanks, Mom and Dad, for this opportunity!

Laura Hancock

I can't believe it's ending! I've made so many wonderful friends who I look forward to staying close to for years to come. Most importantly though, I'm so glad I got a chance to meet the wonderful professors I've had over these four years. My biology professors — Dr. Ruane, Dr. Weiss, Dr. Meyer and Dr. Sherwin — have done more for me than I could ever express!

Rosa Lee Harkrader

Thanks to my family and friends for all of their love and support. Without it, I would not be the person that I am today. I love you all so much. "Yo, Adrian! I did it!"

Benjamin Howard

I thank God for giving me a family in which I was taught to use my brain. I thank God for giving me so many different families that I have many places I call home. I thank God for a woman who loves me with her whole heart.

Labriea Hudson

The past four years have gone by so fast, and I never would have made it without God, my friends and my family. Being here at CNU has allowed me to not only grow as a person but figure out who I am and what I want to do with the rest of my life. I will treasure every memory I have gained as I enter the next chapter.

Lindsay Hunsucker

My experiences at CNU have been some of the most challenging of my life, but also some of the most satisfying. I might do things differently if I could try again, if only to take advantage of everything CNU has to offer.

Eric Kinsey

First I would like to thank my mom and dad for making this experience possible. The classes and professors at CNU have been amazing. However, my fraternity, Kappa Delta Rho, is what really made my experience so incredible and something I will never forget.

In these past four years at CNU, I have been tremendously blessed by God. I have made wonderful memories at CNU. I facilitated three great groups of freshmen, broke records with the field hockey team of 2012 and made some lifelong friends. However, not all times were smooth sailing. There were difficult practices, games, classes and other rough patches. However, I could count on my friends and family to sail alongside me. Now it's anchors away, and it's off to a new adventure.

Katie Magruder

Our family's love for one another and constant support is what has driven my growth as an individual as well as my love for others. Your love will always prevail. Thank you so much for it.

Maeghan O'Brien

I want to say thank you to my parents, my friends and my sorority.

My time here at CNU has been nothing but incredible. Being able to be a part of this community and meet so many awesome people has been intoxicating. I don't want to leave! Class of 2013!

Melissa Pringle

I have been blessed to have spent the last four years at CNU growing academically and creating unbreakable friendships. As much as I have grown at CNU, my development has been supported and strengthened by the people who make my world. I'd like to thank the people I treasure the most, Dad and Mom, for their unwavering loyalty and love on this journey; Brother and Grandma for their support; as well as other family members who are always with me in spirit. My dreams are coming true. :)

Jennifer Tuohy

I want to thank my family so much for providing me with the amazing opportunity to attend CNU and supporting me in whatever I pursued. Thanks Mom, Dad and Charlotte! Thank you, Justin, for being my rock the past two years! Lastly, thank you to all my friends and ADPi sisters here at CNU; you are all amazing and have enriched my life so much, I love you!

Marshaé Tyson

As I look back on my time here at CNU, I know I did not make it this far alone. I want to thank my parents first, Craig and Stacie Tyson, because I would be nothing without them. I want to thank my grandparents, Larry and Julie Rininger, and my uncle and aunt, Christopher and Kimberly Rininger. Lastly, a special thanks to the rest of my family and friends!

M. Cole Underwood

Special thanks to my family, friends, sorority sisters and professors who kept me going all four years and pushed me to be the best student I could be. I love you all so much and couldn't have made it to this day without you. Can't believe I am leaving CNU, but I will never forget the memories I got to make with the greatest people of my life.

Nathaniel Valorz

Wow! Who could've predicted this? With my eyes set elsewhere, who could've guessed I would fall in love with CNU? I cannot thank my parents enough, and I SWEAR I will make it up to you by putting you both in the nicest nursing home when I am ready. I love you so much. And to my friends, thank you for putting up with me. I love you all.

Tiffany Van Decker

I would just like to thank my mom and dad for supporting me every step of the way through my life. Without the two of you I would have never accomplished my dreams. Also I would like to thank my brother, Shawn. He has been a true role model for me all my life, and without him I would be lost. I love my family so much!

Joseph Voboril

I want to take this opportunity to thank my brothers, friends and family. More specifically, I would like to thank my mother, without whom I would have never been able to experience the wonderful things this life has to offer. Also, to the rest of my family, friends and brothers whose support has meant the world to me.

Whitney Walton

Thank you, Mom and Dad, for working so hard to get me here!

Evan Wash

I would not be here today if it weren't for my amazing family and friends. Thank you so much, Mom and Dad, for always believing in me and encouraging me to reach my goals. And thank you so much, Cassie and Shannon, for being such amazing roommates and helping me get through these four incredible years.

Katie Watkins

Thanks to all my wonderful professors, friends and most important of all, my parents, for their support.

Anastasia Watson

These past four years were AMAZING! Thanks, Mom and Dad, for encouraging all my dreams! And huge thanks to Howard and Grandmommy for believing in me, as well; I will forever be in your debt! Ashleigh Main, you've been a wonderful roommate and partner in crime! Andrew and Steph, I appreciate you! Shout out to the Women's Soccer Club for being my family away from home. I LOVE YOU ALL!

Lindsey Watts

Thank you, Mom, for always picking up the phone. Thank you for always knowing the right words to say and for giving me your loving hugs when they were needed most. Thank you for seeing the beauty, strength and potential in me when I couldn't. Thank you for being you — the most beautiful, supportive soul I know. I am infinitely more grateful for you than I could ever express.

Annemarie Weaver

These have been the best four years of my life. At first I missed being home with my family, but I then gained a second family being a part of the CNU women's soccer team ... the best sisters a girl could ask for! Thanks, Mom and Dad, for all of your support, and I'm excited to see what my next step is. BBU!

Marissa Welch

I would like to thank my family for their support of my education, and I would like to thank all of my friends I have made this journey with. My time at CNU is marked by wonderful friendships and beautiful sisters. My memories involve so many of you, so thank you, and I wish you all the best! Congratulations Class of 2013!

Lauren Welschenbach

Thank you to my family, friends and sisters of Gamma Phi Beta for making these past four years the best anyone could have asked for. CNU is the perfect school for me, and I will cherish all the memories I've had here. Good luck to all my fellow 2013 graduates!

Elizabeth Wendling

As the second one in my family to go to CNU after my brother Daniel, I had the opportunity to watch this campus grow into a world-class institution! CNU has provided many experiences, but the most memorable was the opportunity to join Greek life! Alpha Sigma Alpha truly has made me a woman of poise and purpose. To my sisters, you will forever be in my heart! Captain for Life!

Emily Whitby

Thank you to my family, friends and teammates for always believing in me. Colossians 3:23

Shannon Wicka

"You must do the thing you think you cannot do." — Eleanor Roosevelt. Now, it's my turn to do the things I never thought I could. Thank you to my sisters of Alpha Phi, who never cease to help me do those things. Thank you to my professors who show me those things. And thank you to my mother, who is everything I hope to be in the future!

Gabrielle Widawski

The past four years at CNU have been such a blessing! Thank you to my family who have always been supportive of all of my endeavors and have consistently been by my side! To my Alpha Phi sisters, you mean the world to me, and I'm going to be lost next year without y'all! To all of my friends, our friendship doesn't end here, the journey just begun!

Kelly Williams

Thanks, Mom and Dad, for all the love, support and sacrifices you have made over the years for my education! I love you very much.

Ryan Wilson

I owe it all to Dr. Duskin. Professor, mentor, ally, friend — and the best in every case. Thank you, Eric!

Gina Yockey

Shout out to my family, friends, Alpha Sigma Alpha and the cardinal that visits the tree nearby for all of the support. My time at CNU would not have been half as meaningful without you!

The Senior Class Gift Committee would like to thank the Class of 2013 for their generosity and enthusiasm throughout the senior gift project. Also a big thanks to the CNU administration and staff — without your support this would have been impossible!

ACADEMIC REGALIA

The wearing of caps, gown and hoods at college and university occasions dates back to the formation of universities in Europe, beginning around the 12th century. The ordinary dress of the scholar, whether student or teacher, was the dress of clerics. Historians suggest that gowns and hoods were the simplest and most effective method of staying warm in the unheated, stone buildings that housed medieval scholars. The gowns used in American academic ceremonies vary according to the highest degree awarded to the wearer.

The Degree Candidates

Bachelor's Degrees

Candidates for the bachelor's degree wear a gown that falls to the knee, has a closed front and long, pointed, open sleeves. Candidates wear black mortarboard caps with black tassels. All candidates for first degrees wear the tassel on the right side of the cap until the degree has been conferred.

Master's Degrees

Candidates for master's degrees wear a gown with a closed front with oblong sleeves, open at the wrist. Candidates wear black mortarboard caps with black tassels.

The Hood

The hoods are lined in silk with the official color or colors of the college or university conferring the degree. More than one color is shown by division of the field color in a variety of ways, such as by chevrons. Christopher Newport University graduates wear a hood lined in blue with a silver chevron. The binding or edging of the hood is in velvet with widths of two inches for the bachelor's degree and three inches for the master's degree. The color of the border signifies the degree granted by Christopher Newport University:

Bachelor of Arts	white
Bachelor of Music	pink
Bachelor of Science	golden yellow
Bachelor of Science in Business Administration	drab
Bachelor of Science in Information Science	gold
Master of Arts in Teaching	light blue
Master of Science	golden yellow

The Faculty

Faculty members wear regalia that represent their disciplines and the institution of higher learning that granted their degrees. The doctor's gown has an open front and large bell-shaped sleeves with three velvet bars (black, but sometimes in discipline colors). Doctor's caps may be made of velvet and may have tassels of gold or the wearer's degree. Hood linings, edges and chevrons represent the field in which the degree was granted:

Agriculture	maize	Music	pink
Arts, Letters and Humanities	white	Nursing	apricot
Business	drab	Oratory (speech)	silver gray
Dentistry	lilac	Pharmacy	olive green
Economics	copper	Philosophy	dark blue
Education	light blue	Physical Education	sage green
Engineering	orange	Political Science	citron-light yellow
Fine Arts and Architecture	brown	Public Administration, including Foreign Service	peacock blue
Forestry	russet	Public Health	salmon pink
Journalism	crimson	Science	golden yellow
Law	purple	Social Work	citron yellow
Library Science	lemon yellow	Theology	scarlet
Medicine	green	Veterinary Science	gray
