Annual Faculty/Staff Campaign

In the next few weeks, the annual Faculty/Staff Campaign will begin at CNU. As we lead up to the launch of this year's campaign, we thought it might be meaningful for us to highlight some of the wonderful things that have happened at CNU because of your faculty and staff contributions - a weekly reminder of what a difference each of us makes in the life of this extraordinary University, through the work we do and through the financial support we offer through the Faculty/Staff Campaign.

So - stay tuned for some familiar faces and some incredible stories about people you know - your friends and colleagues at CNU. They are sure to touch your heart!
