Support Undergraduate Research Support our Summer Scholars as they travel around the world to present their research and speak with preeminent scholars in their field.	Unmanned Aerial Systems Team Help send 22 students to the International Student Unmanned Aerial Systems Competition and represent the Physics, Computer Science and Computer Engineering department!	Send Softball to the NFCA Leadoff Classic! Support CNU Softball as they plan their furthest trip in program history to attend the highly competitive invite-only classic.

To make this platform successful we need your help - let us know if you or your students are involved with a project in need of funding. We will be accepting new
