CNU Symptom Screening <symptomscreener@cnu.edu>

Tue, Mar 8, 2022 at 3:00 AM

To: faculty@cnu.edu, students@cnu.edu, employees@cnu.edu

This is your daily reminder to be aware of your health and report any possible COVID-related symptoms, exposures, or if you are directed by a medical provider to isolate, quarantine or get tested. It remains important to be mindful of your health, so that you will be aware if you develop symptoms of COVID. It is the only way to avoid spreading the virus to all you come in contact with.

Students: if any of those occur, you must immediately email dosa@cnu.edu at any hour and call the Student Affairs office at 757-594-7160 during business hours.

Faculty/Staff: if any of those occur, you must immediately email hr-tracker@cnu.edu with the details of the exposure, your symptoms, and a phone number where you can be reached by a member of the COVID Response Team.
