

UNDERGRADUATE CURRICULUM COMMITTEE PROGRAM CHANGE PROPOSAL FORM

FORM USE: The following is a Microsoft Word Form. You may only add input in the shaded fields. You may type, paste, copy, and delete, but you may not change the appearance of the text. To add input, place your cursor in the field and type; text fields will automatically expand as you type. You may scroll through the fields on the document using the TAB key (forward) or SHIFT-TAB key (backwards). To check a box, click on it and an 'X' will appear. For drop-down fields, click on the box, scroll through the options and click on your choice.

It is necessary to attach UG Curricular Approval Form before submitting to the appropriate Dean's office.

College: **CLAS**

Department: **BCES**

1. Which category (categories) best describes the program change in this proposal:

☐ Changes(s) to; or

☒ Termination of

Select one:

☒

Major

☐

Concentration

☐

Minor

☐

Honors Program

☐

Certificate

☐

Other:

2. Title of Program: **Ornamental Horticulture**

3. Reason for the changed/terminated? **Support for this major in a liberal arts and sciences institution has been lost. The department is modifying its curriculum to align itself with the direction defined for this institution.**
