CNU students, faculty, and staff,

On behalf of our men's basketball program, I would like to thank all of you for your amazing outpouring of support last week in the wake of the car accident that took the life of our teammate, classmate and friend Brian Herrmann. Your actions, thoughts and prayers helped us get through an extremely difficult week, and I know it meant so much to his mother to see how much support Brian had here at CNU.

As we shift our focus to final exams and making plans for the summer, I ask that you join us for a celebration of Brian's life on Wednesday, April 27, at 6 p.m. in the Ferguson Center's Music & Theatre Hall. It will not be a long ceremony, but it will give us one last chance to come together as a community to remember a young man who touched so many while he was here. Additionally, if you have a picture or story you would like to share, please email it to me, and we will try to include it in the program or pass it on to his mother.

Thank you again, good luck with final exams, and as was inscribed on Brian's chest, "Cherish Every Day"!

Coach K
