IJM Nefarious Movie Screening: 7:00pm

Nefarious: Merchant of Souls is a hard-hitting documentary that exposes the disturbing trends of modern day sex slavery. From the first scene, Nefarious gives an in-depth look at the human trafficking industry, showing where slaves are sold (often in developed, affluent countries), where they work, and where they are confined. With footage shot in over nineteen different countries, Nefarious exposes the nightmare of sex slavery as experienced by hundreds of thousands daily, through the eyes of both the enslaved and their traffickers. Nefarious features expert analysis from international humanitarian leaders, and captures the gripping and triumphant testimonies of survivors in order to galvanize hope and vision.

From initial recruitment to victim liberation—and everything in between—the previously veiled underworld of sex slavery is uncovered in the groundbreaking, tell-all Nefarious: Merchant of Souls"
