## Christopher Newport College

Christopher Newport College of the College of William and Mary is a co-educational, non-residential urban college offering an undergraduate educational program designed to meet the needs of the people of the Virginia Peninsula. The student body consists primarily of local students who commute from their homes or from military bases in the area.

Christopher Newport College is fully accredited by the Commonwealth of Virginia and by the Southern Association of Colleges and Schools.

## The History Department

As part of a liberal arts institution, the History Department offers a major in the field of history as well as various courses in history for students majoring in other areas. These courses are offered at various hours throughout the day and evening for the convenience of all interested students.
