SHOWING MONDAY: Film #5, *l'Assault (The Assault)*, a thriller directed Julien Leclercq.

Based on the real-life hijacking of a Paris-bound Air France flight from Algiers on Christmas Eve in 1994, this thriller directed by Julien Leclercq remains taut and tense from the first frame to the last. Four hijackers claiming membership in the Armed Islamic Group demand the release of political prisoners in Algeria while, in Paris, French Interior Ministry official Carole Jeanton suspects that this quartet may have plans to crash the plane into the Eiffel Tower; Leclercq grippingly ratchets up the anxiety by including actual footage of the rescue operation.

Support for the Tournées Festival is provided by

The French Ministry of Foreign and European Affairs / The Centre National de la Cinématographie

The Florence Gould Foundation / The Grand Marnier Foundation / highbrow entertainment.
