Please join us as we celebrate the opening of our new library on Thursday from 4:00 to 5:30 p.m. Take a self-guided tour and discover the wonderful places for quiet individual study or comfortable relaxed group study. Experience the beauty and quiet ambiance of the Summerville and Blechman reading rooms, visit the classrooms and learn about the writing, math and science services offered in the Center for Liberal Learning. Browse the book collection, explore the media center and linger in the beautiful new *Einstein's Café* to sample wonderful coffees, milk shakes and bakery creations. Enjoy performances by the CNU String Quartet, the Men's Chorus, Women's Choir and Pep Band. Festivities will conclude outside with the lighting of the cupola.
