

### **Faculty Senate Resolution 2008-09 - X**

**Whereas** the devastating financial realities during the past fiscal year have required the university to substantially reevaluate and amend university life; and

**Whereas** the administration carried out the process of streamlining university priorities and obligations with a high level of transparency and collaboration; and

**Whereas** such transparency and collaboration contribute to the long term success of the university and all of its constituencies;

**Therefore let it be resolved that** the Faculty Senate of Christopher Newport University recognizes and appreciates the collegiality and cooperation of the President, Provost and Vice Provost during the 2008-2009 academic year.
