## GOVERNOR McDONNELL'S LEGISLATIVE UPDATE

Governor Bob McDonnell recently emailed all state employees with an update regarding recent legislative developments. One of the areas discussed in the email that potentially affects some employees is the change to Virginia Retirement System benefits. House and Senate leadership reached broad agreement on a number of key matters relating to VRS to include an approved defined benefit/defined contribution combination or "hybrid" retirement plan for most newer state and local employees under VRS beginning January 1, 2014.

The Office of Human Resources awaits further details on this new benefit plan and will pass the detailed information on to the CNU Community as soon as we receive it. In the meantime, if you have questions or concerns, please feel free to contact our office at 594-7145, or by email at [hr@cnu.edu](mailto:hr@cnu.edu).

## LEADERSHIP TRAINING Tuesday, March 20, 2012 2:00pm - 3:00pm

The Strategic Planning - Effective SWOT Analysis seminar will be presented by Dean Dave Doughty in the Office of Human Resources. This training is for all employees who want to learn ways to strengthen their leadership abilities, and gain effective tools and information necessary to establish goals and objectives in both the workplace and personal life. To register, call HR at 594-7145 or email [hr@cnu.edu](mailto:hr@cnu.edu).

## A Personal Note of Thanks from Brian Howard

Brian Howard, a CNU employee in the DSU, would like to thank everyone for their heart felt prayers, concerns, gifts and cards that he received during his recent battle with cancer. He was so happy to receive his "return to work" slip earlier this month.

*We are all so pleased to have him back at CNU with us.*

*Welcome back, Brian!*
