Dialog and Desserts: Gendered Violence

Tuesday, March 26th, 7 p.m.

DSU Jefferson

Do you have opinions about the media treatment of the Steubenville criminal case? Concerns about campus safety? Come by and engage in a conversation about gendered violence.

Dialog and Desserts: a Conversation on Gendered Violence is the first in a series of programs aimed at bringing together members of the campus community to discuss social issues. This is an interactive event, so come prepared to discuss current events, media treatment, and cultural narratives about sexual violence. And, who knows, maybe you'll find a long-wanted ally to help spur change.

Sponsored by the Office Student Activities - Diversity and Cultural Initiatives as part of Women's History Month programming.
