I view with very mixed emotions Steven's decision to bring his tenure as the Dean of the College of Arts and Humanities to a close. I will forever be grateful for Steven's leadership as Dean over the past four years and for his immense contributions to the success of CNU, our students and faculty. I will miss his wise counsel and good company as Dean. I now look forward to working with Steven in new and exciting ways to instruct and inspire our students and enrich the academic life of our university.

Thanks, Steven, for a job well done and for all that you have done and for all that we will accomplish together in the days ahead.
