## GENERAL INFORMATION

### HISTORICAL STATEMENT

The Christopher Newport College of the College of William and Mary was established and duly authorized by the General Assembly of Virginia in its 1960 session. The College receives its support from the General Assembly, from the community, and from the fees paid by the students enrolled.

The affairs of the College are directed by the Board of Visitors of the College of William and Mary. This Board is appointed by the Governor of the Commonwealth of Virginia. Direct supervision of the Christopher Newport College is charged to the office of the Coordinator. A Director, appointed by the Board of Visitors, is in charge of the actual administration and courses of instruction at the College.

The Christopher Newport College derives its name from that of Captain Christopher Newport, the illustrious English mariner and one of the most important men connected with the permanent settling of Virginia. It was he who was put in "chief command and control" of the small squadron of three vessels, the Discovery, the Godspeed, and the Susan Constant, which made the historic voyage culminating with the landing at Jamestown in 1607. It is appropriate and fitting that an institution of higher learning located in such an historic setting should derive its name from one who contributed so much to the early history and survival of the area.

Christopher Newport College in September, 1962, initiated a program of evening meetings of courses designed to serve the needs of residents of Tidewater communities and military personnel stationed in the area and to enable them to obtain residence credits which might be applied toward a degree at Christopher Newport College or at other accredited institutions.

### PURPOSE AND PROGRAM

The purpose of the Christopher Newport College is to provide a program of educational opportunities of an academic and terminal nature beyond the high school level to a geographical area of Virginia which has undergone in the past decade one of the largest population explosions in the United States. In addition, it is the purpose of the college to provide the first two years of college work for students desiring to enter a four-year college. This program leads to the degree of Associate in Arts.

The Transfer Programs preparing for the last two years in a four-year college include preparation for further training lead-

ing to degrees in the arts and sciences, in engineering, business, medicine, dentistry, and public health service.

Students who expect to transfer to some other college or university should study the catalogue of the institution of their choice, in order that they may more appropriately plan their programs of study at the Christopher Newport College. Most four-year colleges will accept for transfer a maximum of 60 semester hours of credit from a two-year college. A student who expects to transfer credits should become familiar with the policies of the institution at which he wishes to continue his studies.

### THE BUILDINGS

The administrative offices, library, and classrooms are located in Christopher Newport Hall on the Shoe Lane Campus.

The science laboratories, classrooms, and the student center are located in Gosnold Hall, a 42,000 square foot science building which is also on the Shoe Lane Campus.

### THE LIBRARY

The Christopher Newport College Library seeks to provide an active collection of books, periodicals, maps, etc., to meet the curricular needs and the aesthetic and recreational interests of its students and faculty.

The Library, located in Christopher Newport Hall, contains an open shelf collection of approximately 12,000 volumes classified according to the Dewey Decimal system, the reference collection, and current periodicals and newspapers. There are also approximately 11,000 back issues of periodicals available for reference use.

The resources of the Library of the College of William and Mary (about 450,000 books) are available through direct loan from the Williamsburg campus. Such loans are also available from the library of Old Dominion College.

## THE HONOR SYSTEM

The essence of the Honor System is individual responsibility. It assumes that the principles of honorable conduct are familiar and dear to all students; it assumes that every student is deeply concerned with the strict observance of these principles, for his own sake, for the sake of his fellow students, and for the sake of the College.

### PERSONNEL OF THE HONOR CODE COMMITTEE

In the Evening College the functions of the Honor Council are assumed and carried out by a committee of four students

and two faculty members. This committee is appointed by the Director of the College and is known as the Honor Code Committee.

### PRACTICES

Upon matriculation, each student shall sign a statement to the effect that he understands what is expected of him under the honor system and that infraction of the Honor Code at any time during his student days is punishable by dishonorable dismissal from College. Infractions include cheating, stealing, lying, and failure to report an offense. A professor may require the signing of a formal pledge on any work, even though the initial pledge stands as long as the student is enrolled in the College.

The faculty will explain whether or not aid may be given or received on a particular assignment. Giving aid to any student or receiving aid without the consent of the professor in tests, quizzes, assignments, or examinations is cheating. All cheating, whether in tests, quizzes, assignments, or examinations is a violation of the Honor Code.

Physical comfort, as well as usual practice, suggests that students shall occupy alternate seats during an examination. In consideration for others, students should not disturb a class by leaving the examination room except when necessary, or by remaining absent except for a brief period.

Since the student assumes the responsibility for the administration of the Honor System, the College does not practice supervision of examination by proctors.

### REPORTING A BREACH OF HONOR

Any person believing that a breach of the Honor Code has been committed should challenge the student accused of the act and offer him the opportunity to resign from the College immediately or to report himself to the Honor Code Committee (if the accused does not report himself to the Honor Code Committee, the accuser must report the case).

In such cases where a direct challenge is not feasible, he may report the suspect directly to any member of the Honor Code Committee who will in turn promptly notify the accused of the accusation against him.

### TRIAL OF THE ACCUSED

A student accused of a breach of the Honor Code shall be entitled to know the charges against him, the evidence given, and to be confronted by the witnesses.

The accused shall have a right to ask any member of the Honor Code Committee, who will not be a witness (except the Chairman) to be his counselor.

At the trial the accused shall be at liberty to say what he chooses in his own defense.

#### **Duties of the Honor Code Committee Officers**

At the trial of the case, the presiding officer of the Honor Code Committee shall conduct the meeting. Minutes of the trial shall be kept by the Secretary. These minutes shall be the property of the Committee, whose duty it shall be to see that they are stored in the College vaults.

#### **Witnesses**

A witness called to testify must appear before the Honor Code Committee and must give such testimony pertaining to the case as may be requested by the Committee. Lying before the Honor Code Committee is in itself a violation of the Honor Code.

#### **Minutes**

The minutes of any trial may be inspected in the presence of two or more members of the Honor Code Committee by persons satisfying the Committee of their legitimate interest in the case. In the event that the accused is declared innocent, the minutes of the trial shall be destroyed.

#### **Failure to Stand Trial**

Should the accused leave the College without appearing before the Honor Code Committee for trial, the accuser shall report the name of the accused and the breach of honor to the presiding officer of the Honor Code Committee. The Committee shall then record the facts of the case and advise the Director of the College that the student withdrew under suspicion of a breach of honor.

#### **PENALTY FOR A BREACH OF HONOR**

A violation of the Honor Code is punishable by dismissal from College. The essential basis of the Honor System is that all honor is indivisible and as such calls for the same treatment; but the penalty may be modified when in the opinion of the Committee conclusive reasons for doing so exist.

If, after trying a case, five of the six members of the Honor Code Committee are convinced of the guilt of the accused and so cast their votes in a secret ballot, the Committee shall immediately report its findings and recommendations to the Director of the College.

Penalties shall be imposed promptly, and, in the case of dismissal, the Director of the College shall have the parents informed and shall have the facts recorded on all official records.

#### **RETRIAL OF HONOR CASES**

A case may be reopened upon the presentation of new evidence bearing directly on the question of guilt. Persons desiring

to reopen a case shall appear before the Honor Code Committee to present such new evidence, and the Committee shall determine whether this new evidence is sufficiently conclusive to warrant a retrial. Should the case be reopened, it must be entirely retried.

## ENROLLMENT INFORMATION AND ACADEMIC POLICIES

### ACADEMIC CREDIT

Residence credits may be earned by transfer students and secondary school graduates. A student may not assume that credit will be given for work at other institutions until he has a written statement as to what credit will be accepted. Credits carrying a grade of "D" will not be accepted for transfer to Christopher Newport College.

Evening College undergraduate students will be classified as non-matriculated students prior to acceptance as degree candidates. Non-matriculated students who wish to earn a degree at Christopher Newport must make application for admission as degree candidates prior to the completion of 30 credits of undergraduate work. Forms for this purpose are available from the Registrar.

Course numbers indicate the level of instruction as follows: 100 series, Freshman; 200, Sophomore.

Because of the time required for proper preparation of course requirements, the College considers it unwise for Evening students to enroll for more than one course per semester. Registrants who have not attended college previously may not enroll for more than one course except with permission of the Coordinator of the Evening College.

### ADMISSIONS

The principal requirement for admission to the Evening College is graduation from an accredited secondary school with a minimum of sixteen acceptable units or the equivalent of this requirement as shown by examination.

All applicants for admission including candidates who already possess a degree from another institution of higher education must file an application in person at the Evening College office at one of the following times: Thursday and Friday, January 27 and 28, 1-5:00 p.m., and Monday, Tuesday, and Wednesday, January 31, February 1 and 2, 1-5:00 and 6-9:00 p.m.,

Transcripts of high school academic records or transcripts of work taken at other colleges must be furnished by all such applicants not later than Tuesday, February 1. These transcripts must be requested by the applicant and must be mailed directly to the Evening College by the issuing high school or college. An applicant will not be considered for admission to the Evening College unless he is in full academic and social good standing

at his previous institution or institutions.

Christopher Newport College will not take action on an application for admission until all application forms, transcripts, and test scores (when required) have been received and processed. Tests of the College Entrance Board may be required at the discretion of the College. Tests may include the Scholastic Aptitude Test, the General Educational Development Test, and other tests deemed appropriate by the College.

Applicants who are eligible for admission to the Evening College will be notified by mail. Applicants whose academic records are deemed unsatisfactory by the College may be permitted to take qualifying tests on Saturday, February 5, at 9:00 a.m. The cost of such tests shall be borne by the applicant. The College reserves the right to reject any applicant whose performance on such tests suggests to the examiners that he is not qualified to engage in the courses in which he wishes to enroll. Such applicants will be advised by mail as soon as practicable after test scores have been received.

Admission to the Evening College shall not be construed as automatically admitting the applicant to the Day Session.

### REGISTRATION

Applicants who have been admitted to the Evening College, and former students in good standing at Christopher Newport College, will register on Wednesday, February 2, 6:00-9:00 p.m. Registration for all students will be in Christopher Newport Hall on the Shoe Lane Campus. Faculty members will be available to assist registrants in the selection of courses and in the planning of degree programs. A veterans' adviser will assist those students who are eligible for benefits.

### EARLY REGISTRATION

Those students who wish to register early may do so at the Evening College Office in Gosnold Hall on Thursday, Friday, and Monday, January 27, 28, and 31, 9:00 a.m.-4:30 p.m.

### FEEES

The tuition fee is \$14 per semester hour, payable in advance to the Business Manager. Students may not attend class until tuition payments have been completed, except that military students enrolling under a plan in which the Armed Services pay part of the costs need pay at registration only that portion of the tuition fee for which the individual is personally responsible.

The tuition fee for auditing a course is \$5.00 per semester hour, payable in advance to the Business Manager.

A late registration fee of \$3 will be payable by each student who completes his registration after the first meeting of the class in which he seeks to enroll.

The cost of text books and other required materials varies with the courses and is in addition to the tuition fee.

Make checks payable to CHRISTOPHER NEWPORT COLLEGE.

#### REFUNDS

The College considers all tuition fees fully earned upon registration except in the following cases:

1. Students who withdraw officially on or before Friday, February 18, will be refunded 75 per cent of the tuition fee.
2. When the College cancels a course because of insufficient enrollment, a full refund will be made.
3. Students who change from credit to audit status on or before Friday, February 18, will be refunded 75 per cent of the difference between full credit and audit tuition.

Refunds will not be granted to a student who withdraws unofficially or who has been required to withdraw by the college, regardless of date of withdrawal.

For the purpose of determining eligibility for refunds of tuition and fees, the decision will be based upon the date that notification is made to the Evening College Office rather than the last date of class attendance. Notification must be made in person or in writing.

#### ABSENCE FROM CLASSES

Regular attendance is necessary for satisfactory academic achievement and orderly classroom procedure. Each instructor is responsible for attendance records and for all matters related to attendance. Absences should be discussed with the instructor at the following meeting of the class. Absences exceeding twenty per cent of class and/or laboratory time may warrant the withholding of academic credit for the course.

A faculty member may recommend that a student be dropped from a class at any time that the instructor considers irregular attendance sufficient cause for failure.

#### WITHDRAWAL FROM COURSES

Students who desire to withdraw from a course or from the College should apply in writing to the Coordinator of the Evening College and state the reason for withdrawal.

Withdrawal without such request will result in a notation, "Withdrew unofficially" on the permanent record of the student. Students who withdraw unofficially after April 29, 1966, will receive an automatic "F" in the course(s) from which they withdraw.

The last day for dropping one of two courses without academic penalty is March 11.

#### CHANGE TO AUDIT STATUS

Students who are enrolled in a credit course and wish to change from credit to audit status should consult with the instructor of the course and apply to the Coordinator of the Evening College for permission. Such requests for change in status must be made on or before March 11.

Consult the statement of refund policy on page 14 for determination of a possible refund in tuition.

#### LIBRARY HOURS

The College Library is open Monday through Thursday between the hours of 8:00 a.m. and 10:00 p.m.; Friday from 8:00 a.m. to 5:00 p.m.; and Saturday from 8:00 a.m. to noon. Under the Honor System, Christopher Newport College students are privileged to go freely to the stack rooms to select books they need or to browse at leisure. The privilege of borrowing books is granted to all students.

#### BOOKSTORE

Textbooks may be purchased at the College Bookstore from 6:00 p.m. to 9:00 p.m. on Registration Night, Wednesday, February 2. The store will be open from 6:00 p.m. to 7:00 p.m. on the evening of the first meeting of each Evening College class. Thereafter, books may be purchased from the Business Manager from 8:30 a.m. to 5:00 p.m., Monday through Friday, and in the evening from the night librarian.

Checks should be made payable to C.N.C. Bookstore.

#### BRIDGE AND TUNNEL TICKETS

Evening students using bridge or tunnel facilities for which a toll is charged may purchase ticket books at reduced rates from the Business Manager. Evening students are eligible for this privilege only if they use toll facilities when commuting from home to the College on the day of a scheduled class.

#### COURSES NOT LISTED

The College will make an effort to provide additional courses not listed in this bulletin if a sufficiently large number of students request such courses and if qualified instructors are available. Application should be made to the Coordinator of the Evening College for other courses.

#### CANCELLATION OF COURSES

The College reserves the right to cancel courses for which there is insufficient enrollment.

The College does not authorize re-examinations.

#### PARKING REGULATIONS

All students are expected to park in the parking lot off Moore's Lane. The ellipse in front of Christopher Newport Hall and the roadways leading to and from the large parking lot are reserved for faculty, staff, and visitor parking only. A special parking ticket will be given to violators, and a fine of \$3.00 will be levied for each violation.

### COURSES OF INSTRUCTION

Building designations: Room numbers with the prefix C are located in Christopher Newport Hall. Room numbers with the prefix S are located in the science building, Gosnold Hall.

#### MONDAY

Beginning February 7

Economics 202. Principles of Economics. 3 sem. hrs.; 7-9:40 p.m.; room C203, Mr. Fischer.

This course deals with the theory of market price, the theory of distribution, the theories of money and banking and of foreign trade and foreign exchange, as well as the practical problems associated with these aspects of economic systems. Labor problems, transportation, the trust problem, public finance, and possible reforms in the economic system as a whole are also studied.

English 101. Grammar, Composition and Literature, 3 sem. hrs.; 7-9:40 p.m.; room C201; Mr. Millar.

English 102-1. Grammar, Composition and Literature, 3 sem. hrs.; 7-9:40 p.m.; room C208; Mr. Kitchin. English 101, 102 is designed for the student who has had no more than the usual training in grammar, composition, and literature. The course includes a review of central principles of grammar and rhetoric; the writing of themes and a research paper; the reading and discussion of literary types; expository prose, the short story, the novel, the drama, and poetry.

English 202. English Literature. 3 sem. hrs.; 7-9:40 p.m.; room C210; Mr. Sanderlin. A survey of English literature with collateral readings, discussions, and reports.

Mathematics 101. Algebra and Trigonometry. 3 sem. hrs.; 7-9:40 p.m.; room S211; Mr. Weinstein. Sets and the number system. Operations on sets. Factoring. Synthetic division. Exponents and radicals. Inequalities. Absolute values. Coordinate systems. Loci. Functions and relations. Trigonometric functions and identities. Linear and quadratic functions. Discriminants. Variation. Systems of equation and their solution by determinants.

Psychology 202. General Psychology. 3 sem. hrs.; 7-9:40 p.m.; room S111; Mrs. Mulliken.

An introduction to the basic principles of psychology including the study of maturation and development, drives and motivation, feeling and emotion, frustration and conflict, mental health, personality, and intelligence. Special attention is given to the scientific study of principles of human behavior as applied to practical problems of life. This course is a prerequisite for further work in the field of psychology.

Sociology 202. General Sociology. 3 sem. hrs.; 7-9:40 p.m.; room S207; Mr. Cotten.

An introduction to the study of human society. The basic concepts of society, culture, and personality and their relationships to one another are developed in the first semester. In the second semester these concepts are used to examine and analyze the major social institutions in human society, political, economic, religious, and familial institutions are studied as well as additional concepts of social class, caste, and social change.

#### TUESDAY

Beginning February 8

English 102-2. Grammar, Composition, and Literature. 3 sem. hrs.; 7-9:40 p.m.; room C208; Mrs. Hubbard. This course is designed for the student who has had no more than the usual training in grammar, composition and literature. The course includes a review of central principles of grammar and rhetoric; the writing of themes and a research paper; the reading and discussion of literary types; expository prose, the short story, the novel, the drama and poetry.

- Mathematics 001. Intermediate Algebra. No credit; 7-9:40 p.m.; room S209; Mr. Leonard.  
Review of intermediate algebra, starting with fundamental operations and going through linear equations, systems of linear equations, exponents and radicals, quadratic equations and trigonometric functions. Tuition—\$42.00.

### WEDNESDAY

Beginning February 9

- English 001. Preparatory English. No Credit; 7:-9:40 p.m.; room C202; Mrs. Perry.  
Review of the fundamentals of grammar, sentence structure, punctuation, mechanics, and spelling. Tuition—\$42.00.
- English 102-3. Grammar, Composition and Literature. 3 sem. hrs.; 7-9:40 p.m.; room C201; Mr. Wood.  
This course is designed for the student who has had no more than the usual training in grammar, composition and literature. The course includes a review of central principles of grammar and rhetoric; the writing of themes and a research paper; the reading and discussion of literary types; expository prose, the short story, the novel, the drama and poetry.
- Mathematics 102. Algebra and Trigonometry. 3 sem. hrs.; 7-9:40 p.m.; room S207; Mr. Custer.  
Polynomial functions. Remainder and factor theorems. Zeros and roots. Inverse functions (algebraic and circular). Permutations, combinations, and the binomial theorem. Mathematical induction. Progressions. Applications of the circular functions. Complex numbers. DeMoivre's Theorem.
- Mathematics 201. Calculus with analytic geometry. 3 sem. hrs.; 7-9:40 p.m.; room S209; Mr. Weinstein.  
Rate of change of a function. Derivatives and properties of limits. Implicit relations, derivations and differential notation. Significance of second and third derivatives. Maxima and minima. Rolles Theorem. Mean Value Theorem. Integration and areas by calculus. Areas, volumes, and lengths of arc. Moments, centroids, work, and hydrostatic pressure. Prerequisite: Mathematics 101 and 102 or Mathematics 103, or consent of instructor.

### THURSDAY

Beginning February 3

- Business 102. Introduction to Business. 3 sem. hrs. 7-9:40 p.m.; room C210; Mr. Myers.  
This course explores and analyzes the broad area of business administration from the manager's perspective. Included will be a review of decision making, business resources, and the current business environment.  
Preparatory English. No Credit; 7-9:40 p.m.,
- History 202. American History. 3 sem. hrs.; 7-9:40 p.m.; room C209; Mr. Selby.  
The development of the United States from the Civil War to the present.

### MONDAY and WEDNESDAY

Beginning February 7

- History 102. History of Europe. 3 sem. hrs.; 7-8:50 p.m.; room C209; Mr. McMurran.  
The course begins with a study of the rise of Russia and Prussia, the eighteenth-century Enlightenment, colonial rivalries, and the French Revolution. The nineteenth-century history of the European powers as a reflection of liberalism and nationalism is reviewed, setting the background of the Russian Revolution and World Wars I and II.

### TUESDAY and THURSDAY

Beginning February 8

- Biology 102. Botany. 5 sem. hrs.; 7-10:30 p.m.; room S-102; Mrs. Hunter.  
The structure and function of the various tissues and organs in higher plants. Morphology of reproductive structures and life cycles of typical representatives of the major groups of plants. Evolutionary and ecological relations of plants; their geographical distribution and economic importance.

**Chemistry 102.** General Chemistry. 5 sem. hrs.; 7-10:30 p.m.; room S103; Mr. Neal.  
Second half of an introduction to the chemistry of the common metallic and nonmetallic elements through a study of their properties based on the Periodic Table. Emphasis is placed on the development and application of chemical laws and principles. Essential features of organic chemistry and important reactions of selected metals are discussed.

**Graphic Arts 102.** Descriptive Geometry. 3 sem. hrs.; 7-10 p.m.; room S206; Mr. Tabor.  
Fundamentals of Descriptive Geometry. Graphic representation and solutions of space problems. Successive auxiliary views. Intersection of planes and surfaces. Development of surfaces.

**Physics 104.** Elementary Physics. 5 sem. hrs.; 7-10:30 p.m.; room S202; Mr. Pillow.  
A beginning course in physics which satisfies distribution requirements in the fields of science. The course is intended primarily for the non-science major and covers mechanics, heat, and sound during the first half; electricity, light, and atomic physics during the second half.
