On April 10 from 3 - 5 p.m. in the Blechman Room of the Tribble Library, the Faculty Library Advisory Committee invites you to the Second Annual Celebration of Faculty Research. Please save the date.

We invite all faculty to submit ONE piece of research or creative activity that was published or completed in the last 18 months. Criteria for submission will follow in a separate email and be posted on the Tribble Library's web site. Come share your research and creative activity with your colleagues!
