PM

To: faculty@cnu.edu, employees <employees@cnu.edu>

One of our initiatives as University Fellows was to provide an opportunity for seniors to celebrate their hard work and be together during the days leading up to graduation. CNU does a wonderful job with freshmen by providing a great week of transition to college, so we wanted to provide a week of send off activities for our senior class of 2011 and the senior classes to follow.

With that being said, we wanted to share the events for Senior Week with the faculty and staff. On Tuesday, May 10th, the senior week kickoff picnic will be held on the great lawn from 11 a.m. - 3 p.m.. Seniors will be enjoying a live band, [Snackbar Jones](#), a BBQ lunch, and a cash bar with beer and wine. On Friday, May 13th, CNU seniors, friends, and family can attend a beer and wine tasting on the DSU Patio from 2 - 4 p.m.. Please note this is a paid, ticketed event.

Rain locations for both events will be in the Crow's Nest. Seniors who have not purchased tickets will be able to do so at the door.

Sincerely,

University Fellows
