To: employees <employees@cnu.edu>, faculty <faculty@cnu.edu>

Our Commencement Exercises on May 11 will celebrate the many accomplishments of our graduates and will bring to a close a very successful academic year. I am grateful for all that you contribute each day to the success of our students and faculty.

In appreciation and honor of your efforts, I am pleased to award four days of Recognition Leave for classified and administrative and professional (A/P) faculty to be used on the Fridays of July 5, 12, 19, and 26. Colleagues who must work on those Fridays may use their four recognition days at a later time.

Business casual attire begins Monday, May 13 and ends Friday, August 9, 2019. Please check with your supervisor if you have questions concerning appropriate business casual attire.

Thank you for making Christopher Newport a very special place and I hope these days in July will allow you to enjoy good times with family and friends.
