

# Neuroscience Club

## Speaker Series

The Neuroscience Club of CNU presents our first featured guest of the semester for our inaugural Speaker Series. Sarah Blankenship is a Ph.D. candidate in the Neuroscience and Cognitive Science Program at the University of Maryland. She is also a part of the Neurocognitive Development Lab directed by Dr. Tracy Riggins and the Child Stress & Emotions Lab directed by Dr. Lea Dougherty.

The event will  
take place  
**THIS Friday,**  
September  
25th at 4pm in  
Forbes 1022.
