Dr Santoro Presents Screening of German Propaganda Films: "Triumph of the Will" and "Day of Victory": 6:30pm

Wednesday, 2/17, 6:30pm - MCM 101 - screened in their original German language with complete English language sub-title translations and identifications

The CNU Film Studies Minor is hosting two screenings of a new Blu Ray release of German director Leni Riefenstahl's propaganda films Triumph of the Will and Day of Victory. CNU President Emeritus and Distinguished Professor of History Dr. Anthony R. Santoro provided the sub-title revised English language translations of speeches in the film as well as the sub-title identifications of all significant personalities and organizations seen. He also did a second track on the film with suppressed sound on which he gives a lecture on the films as they are being screened. The screenings will be on two successive Wednesday evenings (February 10 and February 17) at 6:30 p.m. in MCM 101. On February 10 the films will be screened in their entirety but with their sound tracks suppressed accompanied by Dr. Santoro's commentary. On February 17 the films will be screened in their original German language with complete English language sub-title translations and identifications.

Triumph of the Will is a documentary record commissioned personally by Adolf Hitler of the 1934 Nazi Party Congress that took place in Nuremberg in September. It is considered the most famous propaganda film of all time. Day of Victory is a much shorter film produced the next year, also by Leni Riefenstahl, because the German Armed Forces (the Wehrmacht) complained to Hitler that Triumph of the Will gave virtually no coverage whatever to the German Army, Navy, and Air Force and, instead, focused entirely on formations, organizations, and personalities of the Nazi Party.

This just released 2016 Blu Ray DVD from Synapse films is the work of a new and complete restoration done by Robert Harris of Film Preserve Limited with all of the editorial work done by CNU's Dr. Santoro. Previous restorations by Mr. Harris are Lawrence of Arabia and My Fair Lady.

The screening is open to all free of charge. Dr. Santoro will be present to answer any questions on the history of the film, its connection to Adolf Hitler's Third Reich, and the task of restoration.
