Because the list of names must be furnished to the printer to meet deadlines, it is possible one or more of the candidates listed herein may have been unable to complete all degree requirements. Inability to remove a name at the last moment does not commit the University to grant a diploma to a person thus listed in error. It is possible one or more names of candidates are omitted from this list due to a late addition. The University has made every effort to accommodate all candidates.

SENIOR REFLECTIONS

Congratulations to the Class of 2012!

You have left a lasting impression at Christopher Newport University, and we celebrate your achievements. As an enduring legacy, many of you and your families made donations to the senior class gift in honor or memory of loved ones and friends. We share those dedications in this program and wish you all great success as you begin a new and exciting chapter in life. We appreciate your support of CNU; you will always be a member of the CNU community.

Christina Anderson

I have to first thank my father for the amazing person he is. I would not be the hard worker I am today without him. I thank my brother for making me laugh through the good and bad. I send up a prayer to my mother, who I am sure is smiling down here today. Finally, to all my wonderful family and friends who have helped me on this path, I love you all!

Adam Baker

Graduation, May 2012: Even after one flight in life comes to an end, it is time for another to begin. It is time to refuel, plan for tomorrow and accelerate skyward, blasting into the wild blue yonder. Endless thanks to my family and the countless CNU faculty, staff and administration who have given me the care, support and encouragement I will never forget. Clear skies and smooth sailing for the Class of 2012!

Rosemary Barton

This goes out to all my amazing friends, family and professors who have helped me grow: "It well may be that we will never meet again in this lifetime. So let me say before we part, so much of me is made of what I learned from you. You'll be with me like a hand-print on my heart. And now whatever way our stories end, I know you have rewritten mine by being my friend." — "Wicked"

Jefferson Beavers

Dear Mom and Dad, my entire life I have carried with me a personality that is passively resistant, but your love, care and commitment to my development as a person have carried me through hardships we could have never expected. Thank you for standing behind and supporting me. I could not have accomplished what I have without you. I love you and appreciate all you have done for me more than I could ever express.

Christopher Blades

I want to thank my amazing family and friends for all of their love and support for these last five years going through college and helping me succeed, and through all the rough times. I couldn't have accomplished any of this without them! I also want to thank my beautiful girlfriend, Shannon, for making my last semester at CNU undoubtedly the best I've had! I love all of you! :)

Jennifer Bledsoe

"Your arms were always open when I needed a hug. Your heart understood when I needed a friend. Your gentle eyes were stern when I needed a lesson. Your strength and love has guided me and gave me wings to fly." Thank you for everything, Mommy. I love you!

Sydney Alexandra Blydenburgh

I have always known what I wanted to do with my life, and my family was always right by my side making sure all my dreams came true. My family still talks about how I would always say that all I wanted to do was take care of the children no one else wanted, and I am so happy to say I will be taking a huge step in that direction after graduation.

Brad Borer

I would like to thank my parents and the faculty for helping me through my journey.

Marie Breninger

I would like to thank my parents for all their support over the past four years. Without you standing behind me none of this would have happened! Lastly I would like to thank my fiancé, Ian. You have been the rock that kept me grounded through some of the craziest moments, and were constantly there to inspire me to be the best I could be! I love you all!

Kelsey Brooks

I want to thank my family for all of their encouraging words and support that got me through some rough years at CNU. Each of you has impacted my life in a variety of ways. Love you, Mom, Dad, (RIP Scooter), Sissie, Alan, Ben, Lorrie, Wayne and Tim. Mom and Dad: Y'all have been the best parents anyone could ask for. I can't thank you enough for how much y'all have done for me.

Rebecca Brown

I couldn't have made it this far without the most important people in my life. Thank you, Mom and Dad, for your support, love and encouragement throughout the years. You don't know how much I needed it. Thank you, too, to Tristan, who kept me sane when nothing else would do — not even chocolate. All three of you made these past four years the best four years of my life. Thank you so much!

Calvin Campbell

I would like to thank my parents and stepparents for all of their support these past four years. I am excited to take this next step in my life, but I will miss the great times I had with "the bros." I would also like to thank Q (aka Quentin Marrow) for being my best friend since freshman year. I'll miss you, bro. To everyone else, congratulations on graduating!

Jacob Capin

To the entire CNU community: Thank you for making this university a truly special place. To my basketball teammates and

Megan Groff, Melissa Farmer, Lindsey Ceniviva, Olivia Costello, Kelly Commenator, Katie Gough and Kelsey Walsh for being the BEST friends I could ever ask for! To all my fellow cheerleaders and Alpha Sigma Alpha sisters, I will always remember our good times! Also, thanks Dr. Spiller for being like a mentor to me! I'm truly going to miss being at CNU!

Lindsay Christensen

Over the past four years at CNU I have learned so much about life, but more importantly, about myself. As I leave I will take those lessons with me no matter where I may go. To my family, my friends and everyone who has supported me, thank you for everything. And to Nanny, this special day is for you. I love you all so much, and I cannot wait for the next chapter to begin.

Katherine Clay

I would like to thank my parents for their unending support over the past four years in all I have done, both personally and academically. I would also like to thank my Oma and Opa for allowing me to come to their home whenever I needed a break from college life or a free meal during the week. I love all of my family, including my sister :P, and my roommate!!

Casey Comer

Dear Mom and Dad, graduation is finally here! Words cannot describe how blessed I feel to have the two of you as my parents. Thank you for trusting me to make the right decisions and for guiding me when I wasn't sure. It is because of all you have done for me throughout my life that I am where I am today. Thank you! Love, Casey

Tiffany Cook

I have had an incredible journey at CNU due to the dedicated music faculty and the strong and wonderful friends I have met over the past four years. I am extremely grateful for the person that CNU has molded me into, and I am excited to use my experiences here as a stepping stone for the rest of my life.

It has been such a wonderful four years here at CNU, and I am so fortunate to have spent it with the best people. Thank you to my family and my friends for getting me through it! A special shout out is needed for my fellow tour guides who have given me the best job I have ever had. I am so sad to leave but excited for the next step in my journey!

Matthew DeWorken

Thanks to my family for helping and supporting me these last five years; thanks to all the friends I've made who have stuck with me through thick and thin; and thanks to all of my brothers in Psi Upsilon for making my years at CNU amazing! Always YITB

Mark Dungan

Playing hockey every Friday and Saturday night in front of hundreds of CNU students — Late nights in the Trib. Lib. — The teachers of this school who are always willing to go out of their way for you — Waking up on Saturday afternoons and going to football games — Being at the first-ever night football game — The times living in the dorms and the people I have met in the four years I've been here.

Stephanie Dunn

CNU has become my home. Any other school would not be mine. The faculty, staff and students were always warm and welcoming. I hope to come back in 20 years to still see this school as a home away from home. :)

Angela Evans

College is an experience some take for granted, but we are a select few who are able to find a home for a short time in our lives. I would like to thank my mom and dad for all of their love and support in my four years. I would also like to thank my sisters in Alpha Phi for unforgettable memories, and the CNU community for making me the person I am today.

Bryce Evason

CNU ice hockey, Daddy will always love you.

Carley Everett

Dannah Farah

Thank you, family — all of you, without whom I would never have worked so hard for so long to be where I am now. I love you all! A special thank you to Mom and Dad for loving me — and paying for me. :) No daughter could ask for better parents!

Hector Feliciano-Ayala

Coaches and faculty, thanks for challenging me to reach my

potential and being another family to me. Kathryn, thanks for four great years and all the support; keep it up, because you have a lot to do in front of you. Mom, Dad and Joniel, you all are my inspiration to succeed. Thank you for always encouraging, loving and supporting me. "When you want something, all the universe conspires in helping you to achieve it." — Coelho

I also want to thank my family and friends for always encouraging me and praise the Lord for the blessings he has given me these past four years (1 Thessalonians 5:16).

Lynsey Foley

These past four years at CNU have been an adventure. Thank you, Mom and Dad, for continuing to support me in everything I do, even when I seem to find myself in a little trouble. I'd like to thank everyone who has helped me along the way through college. My parents are ever supportive and believing in me. They've helped me achieve and continue to encourage me to do my best. I can't thank them enough. The professors here really make CNU great, especially Professors Mulryan, Buszard, Motta and Erhardt. They were always eager to help my pestering and sometimes peculiar questions, and I will truly miss each of them.

Lauren Hall

Thank you, Dr. Sprague, for all your guidance and help as I pursue my MAT degree! Mom, thanks for all your help, too (financial AND the many moves). I wouldn't be here without both of you.

Christa Huebner

I would like to thank my family for giving me the encouragement to come to a wonderful institution. When I failed to push myself you each reached out and shoved me. While I head to work for the Navy I know you will continue to offer your support. Thank you for your time, love and, most importantly, funding. I love you all so much. Don't worry, one day I will return the favor!

Katelyn Drew Irvine

A huge thank you to all my friends and family who helped guide me to where I am today, but we all know this wasn't my first choice; my acceptance letter to Hogwarts must have gotten lost in the mail.

Chelsea Jarman

Thank you to my family for helping me make it successfully through these four years in college. I love you, and I am forever thankful!

Nikki Jean

Mom, Dad, David, Matt, family and friends: Words alone cannot express the immense gratitude and love I feel for you on this happy day. You've always believed in me, even when I found it hard to believe in myself. Thank you for the late-night phone calls, movie nights, study buddies, care packages, notes of encouragement, surprise visits, Harris Teeter runs and the plethora of gummy bears. We did it! We finally did it!

Chelsea Jones

Dad, Kennie and Linda: Thank you for always being there when I needed someone to take care of me. Dedad: Thank you for helping me be able to attend CNU. Ashley: Thanks for being my rock. Grandma: Thank you for being my biggest cheerleader. The rest of the family: There are way too many to list, but I love you all and thank you for always being there for me no matter what.

Philip Kashin

As a commuter student my CNU experience had humble beginnings. I did not know many people at first, but over the course of four years I met people who are now my best friends. I also became more involved on campus. I thank my family and friends for all of their support. I'm especially thankful for my grandma who has given me the utmost support and dedication toward my education and future. Thank you, Gram!

Katie Knoster

Here's to the friends who became family; here's to the professors who became heroes; and here's to the littlest moments that became the greatest memories. Thank you to everyone who has made my years here at CNU absolutely unforgettable. I am truly grateful for every memory I have made and every opportunity that has presented itself. I couldn't have gotten this far without all the love I have supporting me. OFFICIALLY A CAPTAIN FOR LIFE!!

Karen Kramolowsky

I would like to thank my Phi Mu sisters; they are the greatest support system a girl could have. Also, being a social work major gave me another group of great girls. I could not imagine college without them. College truly has been the best four years of my life thus far. Thank you, Christopher Newport University.

Linette Lee

Wow. It's hard to believe four years have gone by. It's hard to imagine what life will be like after graduation. But you know what? It's not that hard to do when I'm surrounded by the amazing people I have met during my four years at CNU. From late-night super-student sessions to wandering campus in the wee hours of the morning to hysterical laughter shared between friends, I have loved these every minute.

David Levenson

I want to thank Gail Levenson for helping me with the tough decisions and Neal Levenson for being up late enough to talk to me when I was frustrated with exams. I want to thank my brothers in Tau Delta Phi. My college experience wouldn't have been what it was without them. Thank you to the professors I had for being there for me when I needed you. Thank you, CNU, for the fun!

Lynzee Lombard

CNU has afforded me so many opportunities, and I am grateful for each one of them. Lashae McMillan

Cherish Every Day.

Kristina Miglin

It's true what they say: The people you meet in college become the friends you'll have for the rest of your life. My time at CNU has taught me so much in so many ways. While I am sad to say goodbye, I am so grateful for every experience I've had throughout this journey and am extremely thankful for the support of family, friends and professors. I'm proud to be a Captain for Life.

Taylor Minter

I came to CNU with the goal of seeking out every opportunity to grow intellectually, emotionally and socially. I feel I have been able to do this through the support of my family and friends. Graduating will be bittersweet, but I know my family, my brothers of Alpha Phi Omega, my professors, my friends and everyone else along the way has prepared me for my next journey in life.

Corrie Mitchell

Mark Twain said it best: "Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did. So throw off the bowlines, sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover." Thank you, Mom and Dad, for giving me every opportunity to sail off and explore my dreams. Jake, thank you for always being there for me, little brother.

Colleen Moran

Thanks, Mom, for everything! Your love and support made this day possible. Also special thanks to the rest of my family — Sean, Andrea, Kevin, Donna, Erin and Susan. I know Dad and Patricia are smiling down on us today.

Nathaniel Morris

The past four years at CNU have been some of the most challenging but most incredible of my life. As I look back on my time at this school, I cannot help but feel incredibly blessed to have been a part of something so amazing. The friends I have made here have become family, and the campus like a second home. While I'm excited for what the future will bring, I will never forget CNU.

Destiny Morrow

Everyone has a story. CNU will always be part of our story: a significant place where we stopped, grew a little and learned a lot. Now we continue on. We'll have other stops along the way. Some trials, some triumphs. Places we'll stay, places we'll leave. Mishaps and adventures. All to remind us: "It's not what the world holds for you. It's what you bring to it" — L.M. Montgomery. Thanks, CNU. We'll be bringin' it!

Amber Mungavin

My time at CNU has been full of accomplishments and challenges. I couldn't have made it to May 12, 2012, without my family and friends (Mom, Kayla and Grandma) supporting and loving me. My husband, Tom, thank you for believing and standing by me for the past three years. Thanks: 2012 CC, Dr. Gordon, Jillian Martin, my professors and my NKE sisters for wonderful memories and words of wisdom. Love, Amber (Class of 2012 president)

Shannon Noonan

Mom and Dad, I cannot thank you enough for everything you two have done for me. You have been there for me through thick and thin. I would not be where I am today without your continuous love and support. I promise I will continue to make you both proud. I love you.

Renee Okuda

Yoo-hoo! These past four years at CNU have been even more incredible than I imagined. Huge thanks to my incredibly loving and supportive family, my precious roommates, my amazing friends, and my Pearlfriends. Fellow seniors, congratulations! Be encouraged to continue succeeding in our exciting future! "Now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think" (Ephesians 3:20).

Blair Panlilio

To my family, friends and the faculty of CNU, graduation reminds me of everyone who has touched my life. The gift of your motivation and encouragement is truly appreciated.

Lauren Parkhurst

As my collegiate years come to a close, I look at where I am today and cannot help but smile. I have created so many amazing memories in just four short years. My time at Christopher Newport University has been a small piece to a larger puzzle; I have much to look forward to. I would like to thank my family — Helen, Chris, Christopher and Michelle — for their endless love and support.

Lindsey Prentice

I want to thank all my family and friends for helping me get here. Special thanks to my dad. I love you so much, and words will never be able to express how much I appreciate all the love, wisdom and encouragement you have given me through the years. I know Mommy would be very proud of us both. I have enjoyed my time here at CNU, and I'm ready to take the next step.

Evelyn Riley

I'll remember my time at CNU through all the successes and hardships, and through all the inside jokes and unforgettable moments. I love and cherish my family, friends and my CNU family who have supported me through my journey. Even though I am leaving, I will never forget why I came. I would also like to thank my friends, without whom I probably would have gone crazy a long time ago. My final thank you is for my brothers in Kappa Kappa Psi. They mean the world to me and have made me a better person. AEA

Hunter Shirley

I've had the time of my life. No I never felt this way before. Yes I swear it's the truth, and I owe it all to CNU. Special thanks to my family, Austin, Tino and the Hoffmans for helping me along the way. I love all of you. You were all there to hold my hand through this phase in my life. My memories of each of you will be dearly cherished.

Corie Slade

The time I've spent at CNU has been an exciting adventure, and as amazing as it feels to graduate and get away, I will always remember these four years that have shaped the rest of my life. CNU, because of you I will forever bleed blue.

Jenna Smead

To my parents: Thank you for teaching me how to live in the moment by not putting too much pressure on me to grow up, while still supporting me and pushing me to do and be my best. I love you! You know I couldn't end this without a lyric so in the words of The Ataris: "The only thing that matters is just following your heart, and eventually you'll finally get it right."

Catie Smith

CNU has been one of the best experiences of my life. Thank you to all of my amazing friends who have pushed me and helped me through these past four years. Lindsey Turner

Thank you, Dad and Mom, for helping me get to where I am today! You've provided me with more than an education but an understanding of the importance of success and perseverance. Thank you to the biology and chemistry professors I've had; without you I wouldn't be starting this next chapter in my life at Campbell University for pharmacy school. CNU will always have a piece of me no matter where I go in life.

Lindsay Walton

The past four years I have spent at CNU would not have been the same without the friends I made and wonderful roommates I had. Thank you to my family and friends at home for letting me take this journey and grow. I cannot imagine my life without the experiences I got to have while here. I am proud to say I am a Captain for Life.

Michelle Ward

The past four years have been such an incredible experience. I gained valuable friendships that will last a lifetime. All of this would not have been possible without the loving support of my parents.

Sarah Ward

Mom and Dad — Your support throughout these past four years has been invaluable to me. Your guidance, love and support brought me to this day, and I wouldn't be here without your help (and money!). I owe my successes to you both, and I can't thank you enough for being my biggest cheerleaders throughout this process. I love you!

Dayn Washburn

I had such a great experience at CNU. I just wanted to thank my family for all the support over the years. I could not have done it without them. I'll never forget the memories I made here, especially with my CNU football brothers.

Madeleine Weaver

CNU has been a great experience and one I will never forget. I know I would not have been able to make it through all four years without the support of my parents, Dan and Dorinda Weaver, and my uncle, Mike Weaver. You have given me the ability and strength to achieve this great milestone in my life. Thank you so much!!

Kimberly Wenz

Deciding to go to CNU was one of the best decisions I have ever made. The friendships I have formed and the opportunities I've had have been life changing. I am so grateful for my time at CNU and all the people who have helped me achieve my dreams, especially my parents and sisters, my professors, the other social work majors, and my friends. I wouldn't be here without you! Thank you and God bless!

Stephanie Whitehead

I would like to thank my teachers for inspiring me to go above and beyond, for piquing my intellectual curiosity and providing me with endless support — specifically Dr. Rowley for teaching me how to write an A-worthy paper, Dr. Adamitis for helping me

when I'd lost my way, Dr. Buszard for teaching me the meaning of "hard work" and Dr. Pollio for igniting a passion for ancient cultures that had lain dormant. Thank you!

Holly Williman

I would like to thank my mom, dad and sister for all their love and support through these past four years. I also want to thank my boyfriend, Charlie, for keeping me sane during my most stressful moments. I love you all so much!

Elizabeth Wilson

This has been a challenging yet rewarding four years. I've laughed, I've cried and I've made my dream to get a job at Disney come true. Thank you to my parents, my funny little brother, and all my friends and family who have supported me and were my biggest cheerleaders during my career at CNU. You have helped push me to challenge myself and make things happen, and I hope to keep making you proud.

Brittany Wissen

Who knows if I would have gotten here without you all. (You know who you are.) Thanks, everyone!

Heather Yatsko

I can't believe the years I've spent at CNU are coming to an end. I remember just yesterday I was a freshman moving into Santoro. Thank you to my amazing family for the support, love and for pushing me to be the best that I can be. Thank you to my sisters, Alpha Phi for the love, laughter and unforgettable experiences. There will always be a little Captain in me. Congratulations, Class of 2012!!

ACADEMIC REGALIA

The wearing of caps, gown and hoods at college and university occasions dates back to the formation of universities in Europe, beginning around the 12th century. The ordinary dress of the scholar, whether student or teacher, was the dress of clerics. Historians suggest that gowns and hoods were the simplest and most effective method of staying warm in the unheated, stone buildings that housed medieval scholars. The gowns used in American academic ceremonies vary according to the highest degree awarded to the wearer.

The Degree Candidates

Bachelor's Degrees

Candidates for the bachelor's degree wear a gown that falls to the knee, has a closed front and long, pointed, open sleeves. Candidates wear black mortarboard caps with black tassels. All candidates for first degrees wear the tassel on the right side of the cap until the degree has been conferred.

Master's Degrees

Candidates for master's degrees wear a gown with a closed front with oblong sleeves, open at the wrist. Candidates wear black mortarboard caps with black tassels.

The Hood

The hoods are lined in silk with the official color or colors of the college or university conferring the degree. More than one color is shown by division of the field color in a variety of ways, such as by chevrons. Christopher Newport University graduates wear a hood lined in blue with a silver chevron. The binding or edging of the hood is in velvet with widths of two inches for the bachelor's degree and three inches for the master's degree. The color of the border signifies the degree granted by Christopher Newport University:

Bachelor of Arts	white
Bachelor of Music	pink
Bachelor of Science	golden yellow
Bachelor of Science in Business Administration	drab
Bachelor of Science in Information Science	gold
Master of Arts in Teaching	light blue
Master of Science	golden yellow

The Faculty

Faculty members wear regalia that represent their disciplines and the institution of higher learning that granted their degrees. The doctor's gown has an open front and large bell-shaped sleeves with three velvet bars (black, but sometimes in discipline colors). Doctor's caps may be made of velvet and may have tassels of gold or the wearer's degree. Hood linings, edges and chevrons represent the field in which the degree was granted:
