2016-2017 Class Council Executive Board Application Deadline: 12:00pm

Class Council actively shapes the CNU student-life experience by providing exciting opportunities for Captains to connect with CNU. Our involvement on campus includes planning fun interactive events (socials, fundraisers) for each class as well as providing information and resources that support you in your journey as a CNU Captain.

Class Council plays a large role in the planning and implementation of large-scale campus events including, Homecoming, Captain's Ball, Captain's Week, Sophomore Signing Day, and Senior Week activities. In order to develop Captains for life, Class Council uses such events to unify a dynamic community, instill campus traditions and provide opportunities that will make our time at Christopher Newport University the best of our lives!

Class Council consists of Executive Boards for each class, made up of Class Officers and Members at Large. These Executive Boards act as leadership teams for each class, provide leadership development opportunities for its members, and strive to promote the involvement opportunities that shape the CNU Captain experience and help students become Captains for Life.
