The CNU Storm Dance Team has achieved a 5th place national ranking at the 2013 NCA / NDA College Cheer and Dance Nationals in Daytona Beach, FL. Joining approximately 300 cheer and dance teams from divisions and schools across the nation, the Storm advanced to finals after a preliminary competition on Thursday afternoon.

Taking the infamous Daytona Beach Band Shell stage early Friday morning, the CNU Storm proved that hard work and dedication during their year long season would pay off. After only two years of being named as a competitive athletic team, the CNU Storm cinched a fifth place national title, a historical first for the official dance team of Christopher Newport University.

The CNU Storm would like to thank the University, its faculty, staff and students for their continual encouragement and their family, friends and fans for their never-ending support.
