Not at Christopher Newport. With our total enrollment of 5,000 students we feel more like the best private colleges. You will experience a strong sense of community as you walk across campus — whether it's cheering on your roommate as she competes for the NCAA volleyball championship, participating in a campus-wide food drive, enjoying dessert at the president's residence or simply sharing dinner with a group of friends. Strong bonds are formed among our students, professors and alumni. When you choose Christopher Newport you become a **Captain for Life!**
