

Do your career ambitions require a security clearance?

Come meet with representatives from USIS, the leading commercial provider of background investigations to the federal government. Learn what behaviors to avoid in order to insure you pass a background check. Don't let a foolish mistake prevent you from career ambitions!

Wednesday, October 26th at 7:00 p.m.
President's Boardroom, DSU

**CNU's Center for
American Studies &
USIS present:**

Background to the Future

Special Announcement:

At this event, the Center for American Studies in Collaboration with USIS will announce a new opportunity for U.S. National Security Studies students--A special program that will help students capture jobs and build careers in U.S. national security!
