

CNC ALUMNI NEWSLETTER. NUMBER ONE

OCTOBER 29, 1971

Greetings, Fellow Alumni:

This NEWSLETTER is one way that your ASSOCIATION officers and directors can communicate with you to report on our activities and progress. Yet, the best communications run in two directions. Thus, I urge all Alumni to use future issues of the NEWSLETTER to report items of interest to the Association membership. The telephone, too, is an accepted way for you to convey to the officers and directors your ideas for the advancement of AAOCNC (Alumni Association of Christopher Newport College). Some of you have written to us, which is appreciated, and we encourage others to do so, as well.

Mr. Richard E. McMurran, College Director of Alumni Relations, is sharing his office and staff, in Room 201 of Gosnold Hall, with us as the Headquarters for AAOCNC. It is open from 8:00 A.M. to 5:00 P.M. Monday through Friday each week, except during college holidays. In addition, a member of the Association's Board of Directors will be in this Headquarters from 7:30 P.M. to 9:30 P.M. on the first and third Monday nights of each month, beginning with November and excluding college holidays, to provide the membership with an opportunity to visit and discuss Alumni affairs. It is hoped that you, indeed, will visit your Association Headquarters for the personal exchange of information whenever it is convenient to do so.

Until we communicate again, my very best wishes to all,

Sincerely

James F. Draper
President, AAOCNC

MEMBERSHIP

Greetings to all members of AAOCNC! We wish to thank all of you who are supporting our organization by paying your five dollar membership dues. Membership cards are sent to those alumni who pay their dues. Our Treasury is slowly, but surely, growing and this year we hope to be able to pay our own postage!

Perry Depue is working hard to enlist as many new members as possible but it is up to each of us to get our fellow classmates to join. In the years to come the Alumni Association will become an increasingly important facet of our lives. Old friendships will be sustained and the campus will benefit from our support. Only through YOUR help will our organization continue to grow!

CLASS REPORTERS

As CNC continues to grow and graduate more students a need arises to keep track of all of our former students. We would like to hear from any interested former student who would act as a reporter for his class. We would like one student from the class of June, 1971 and one student from the class of August, 1971 to act as an historian for his class. Personal news items, such as job placement, marriages, promotions, etc. would be of extreme interest to us all. The reporter would attempt to gather information about each graduate in his class for an annual report. This is an excellent means by which we may keep friendships alive! After all, wouldn't YOU like to know what Wayne Barry is doing, or how Patty and Keith Kahle like Med School?!

PLEASE! Anyone interested in acting as the Alumni reporter for his class, please contact the office of Mr. Richard E. McMurran, at the college.

CONSTITUTIONAL CONVENTION

We must revise our Alumni Association Constitution in order to comply with Internal Revenue Service regulations!!! This is a very important matter and we will be having a Constitutional Convention FRIDAY NIGHT, NOVEMBER 19th at the college! You will be receiving more information in the mail. We need a large turn out so try to attend.

RECEPTION

As you know, James C. Windsor was formally installed as President of Christopher Newport College. The Alumni Association will be honoring him at a reception on November 19th following the Constitutional Convention. A formal invitation will be mailed to each AAOCNC member, along with exact time information. We should all attempt to attend this very special occasion!

ALUMNI OFFICE

Mr. McMurrin's office, upstairs in Gosnold's Hall, is the official CNC Alumni Association office! Beginning in November, the office will be open on the first and third MONDAY NIGHTS of each month from 7:30 to 9:30 PM. An Alumni Board member will be on hand to answer any of your questions about the organization, and, of course, take any suggestions you may have. The Association is alive to serve YOU. Please drop in and just rap with the Board members! Remember, that's room G-201!
