Join Distinguished Professor of History and President Emeritus Dr. Anthony R. Santoro and Professor Emeritus Dr. Mario D. Mazzarella on a fabulous day trip to the Virginia Museum of Fine Arts.

You will enjoy a guided tour of the ancient Egyptian, Greek, and Roman collections in the morning and a tour of the Southeast Asian collection in the afternoon. There will also be opportunities to visit the museum's other impressive collections in American history and other areas.

There is no charge for the trip (other than a voluntary \$2.00 tip for the Motor Coach driver). The trip is open to all CNU students, faculty, and staff.

Please see attached information flyer for departure time and reservation procedures.
