

Faculty Senate Resolution 2005-06-1

Council of University Chairs

(last edited 9/12/05)

- Whereas Christopher Newport University values leadership in its faculty, and
- Whereas strong leadership is grounded in broad-based communication, and
- Whereas the department chairs of CNU represent leadership for the individual academic units of the university,

Therefore be it resolved

- that the department chair with the longest tenure at Christopher Newport University call a meeting of all department chairs of the university at least once per academic year to discuss matters of academic policy and academic life at the university, and
- that action items arising from these meetings be forwarded to the president of the Faculty Senate for appropriate action by that body and beyond according to the standards and practices of the university.
