Dear Colleagues,

On Sunday, March 15, Newport News will host the inaugural One City Marathon, which presents our campus with an excellent opportunity to support our local community. The Center for Community Engagement is responding to requests from city leaders to generate support in two main areas:

- 1) Encouraging CNU participation in one of the races (marathon, relay, 8K or nautical mile)
- 2) Participating in spirited "cheer stations" as runners follow the course through our beautiful campus between 8:30 a.m.-11:30 a.m. on the 15th.

CNU faculty, staff and students will receive a special reduced rate for each of the race options:

Full marathon: \$70

Relay: \$40

8K: \$30

Nautical mile (fun run/walk): \$10

Please visit oncitymarathon.org to learn more and register today!

If you are interested in signing up to cheer on runners as an individual, office, department or center, please visit <http://cnu.edu/engage/specialevents/onecity.asp> by Friday, February 27. Group entrants can compete for a monetary award to benefit an organization of their choosing! (Details on site listed above.)

Thank you for considering this opportunity to support our city leaders' vision of truly becoming "One City."
