

FACULTY APPOINTMENT TO REPLACE EXISTING VACANCY

Christopher Newport College

Last fall, because of a late resignation, the Department of Sociology did not have sufficient time to conduct a national search for a replacement teacher of Sociology and Director of Social Work. For this reason, the position was advertised locally on a restricted basis for one semester with the understanding that a national search would be undertaken in the fall to fill the position on a permanent basis. The search has been concluded. Academic rank has been established in conformity with the standards of the College. Salary is consistent with other faculty members with comparable educational background, experience, and rank.

THEREFORE BE IT RESOLVED, That the Board of Visitors of the College of William and Mary and Christopher Newport College hereby approves the replacement appointment of the person and position named below at the rank and salary stipulated.

MR. GALEN M. HILL, Assistant Professor of Sociology and Director of Social Work, for the spring semester, 1976, at a salary of \$6,825.

In 1968, he was promoted to Director of Social Work at the Norfolk and Chesapeake Center. Mr. Hill has taught extension courses for the Graduate School of Education at William and Mary, and has taught Psychology and Sociology courses on an adjunct basis at Old Dominion University. He has experience as a private consultant, and has planned and supervised a variety of pilot projects in areas of mental health and drug treatment.
