Pie a Professor-Fundraising for The National Brain Tumor Society

Another semester and we come together to fundraise for the National Brain Tumor Society in in the spirit of our 2014 event, Gaines for Brains. This is in the memory of Dr. Weiss and CJ Woollum, former faculty and staff here at CNU. Cancer permeates all of our lives as we all have known either a family member, or a member of our community that has battled this disease. We realize that not all those affected with this pathology are able to survive and that is why we have decided as a community to stand up and help fund valuable research through the National Brain Tumor Society's peer-reviewed grant program. Our fundraising event this semester is Pie a Professor. This event will be held Tuesday, October 18th from 11:00-2:00pm outside of the DSU. A student will have the opportunity to put a plate of shaving cream on the

face of their preferred professor for a fee. A "pie" will cost \$2 and a student can get 3 pies for \$5. We anticipate a great turnout and we invite you to participate on that Tuesday afternoon for an uplifting, heart-warming fundraiser

The L.E.A.D. Challenge

This is a challenge for all students interested in gaining the knowledge, awareness, and skills to successfully engage in campus life-regardless of previous involvement or leadership experience. Through participation in the program, students will learn more about themselves and the critical skills needed to become Captains who engage in lives of meaning and purpose.
