Alpha Phi Alpha Fraternity, Inc. Stroll to The Polls IV Interest Meeting

I am very excited to announce to you all Stroll to the Polls IV: The Election. Stroll to the Polls is an annual event that we host where different clubs, organizations, and teams come out with set routines and compete for Stroll Champion. Voted Christopher Newport University's Best Program of the year in 2015 we're looking to again capture that title. But we need all of your help to do that. Stroll to the Polls is an event that all of us make special and having different clubs and organizations participate makes it that much better. The main purpose of the event is to promote one of Alpha Phi A lpha's national philanthropic programs, "A Voteless People, is a Hopeless People". This initiative was started over 65 years ago as a way to promote voter education, registration, and participation and it's something that we pride ourselves greatly on.

The date of Stroll to the Polls will be Friday November 4, 2016. Doors open at 6:30, show starts at 7:30! Tickets will be priced in three different ways! \$6 if you repost any flyer or advertisement to your social media, \$7 for regular admission (we will be tabling the week leading up to the performance), and \$8 at the door the day of the event! There will be 10 teams participating this year, so if you know you want your team in get that registration in as soon as possible. Teams are limited to 15 people per team, as well as a \$30 Registration Fee. Late sign up Fees will be \$40. Teams should choose Captains who can represent them because we will be having our official registration meeting this upcoming Friday September 23, 2016 at 5:00 PM. The meeting will be held in Forbes 2070D. This is where you'll receive your forms and information on length of the performance, music playlists etc. There have been updates to the voting system this year as well so we will have a panel of 5 judges well acquainted on strolling who will have a weighted vote in addition to the audience vote which we will have through an electronically administered system.

We look forward to seeing you all there, and we hope you are more excited than ever for the best Stroll the Polls yet.
